Subject: Compliance for Barrier-Free Built Environment – Ramp Construction

Respected Sir/Madam,

With reference to the observations made by the Expert Visit Committee (EVC) during the AICTE Approval Process 2026–2027, we hereby submit compliance regarding the provision of barrier-free access facilities in the institution.

In this regard, we would like to inform that necessary corrective measures have been taken. Ramps have now been constructed at appropriate locations within the campus to ensure easy access for differently-abled and elderly persons, in line with AICTE norms.

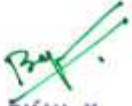

Photographic evidence of the constructed ramps is being uploaded on the AICTE portal for your verification.

We hereby confirm that the institution is committed to providing inclusive and accessible infrastructure and has taken immediate steps to comply with the requirements of barrier-free environment standards.

We request you to kindly consider this compliance and update the status accordingly.

Thanking you,

Yours faithfully,
For AMC Group of Educational Institutions
