THE BEST MOUNDS ON THE DIAMOND.

Portolite Youth Pitching Mounds offer the feel of a regulation mound but are designed to meet young pitchers where they are in their development. Gentle slopes and tapered edges (no lips) help young pitchers get comfortable with their pitching motion. A wider plateau is great for pick-off moves.

Change the mound. Change the game.

- ✓ Built in the United States
- ✓ Highest quality fiberglass, poly and turf materials
- ✓ Two-piece models ideal for moving and storing
- ✓ Full length mounds offer best game experience
