

Dardar Quality Consulting

Where QHSE Expertise Meets Operational Excellence

Mission Statement

To empower organizations with expert-driven QHSE solutions that elevate safety, enhance quality, and ensure sustainable operational excellence. We are committed to delivering practical, compliant, and high-value strategies that protect people, preserve reputation, and promote continuous improvement across industries.

Vision Statement

To be the trusted partner of choice for QHSE excellence—recognized for our integrity, innovation, and unwavering commitment to helping organizations achieve safer, smarter, and more successful operations worldwide.

Who We Are

At Dardar Quality Consulting, we specialize in advancing performance, compliance, and culture through impactful Quality, Health, Safety, and Environmental (QHSE) consulting. Rooted in decades of experience across the energy and industrial sectors, we help organizations streamline operations, achieve regulatory alignment, and cultivate a safety-first mindset.

Why Choose Us

Whether you need support for your existing QHSE team or a complete solution, we're here to help. We don't just check boxes—we deliver value. Our customized, sustainable solutions are built on deep industry expertise and are designed to enhance both compliance and operational efficiency.

About the Consultant

Michael R. Dardar, CSP, CMQ/OE
Founder & Lead Consultant

Michael brings over 20 years of QHSE experience in the upstream oil and gas industry. A Board-Certified Safety Professional (CSP) and Certified Manager of Quality and Organizational Excellence (CMQ/OE), he has led initiatives across North America, Latin America, and the Caribbean.

He's a four-term President of the American Society of Safety Engineers – Bayou Chapter, a recipient of the National Safety Council's "Rising Star of Safety" award (2017), and an educator at Nicholls State University. Michael is also the former co-founder of Safework Solutions and currently serves as HSEQ Director for a leading marine construction and offshore diving company in the Gulf of Mexico.
