he would help with the sign.

Nothing new from Gina on products.

Greg stated that everything seems to be all set for the party. One band backed out so he got another for a few more dollars.

Karen will check the past meetings to see how much we allocated for the party and get back to Ann Marie. Deciding on the fees for the camping... electric sites is more. REGION 6 - Gladwin, Arenac, Midland, Bay
RC - Merry Gerrett

Greeting my friends. Hope this beautiful warm hot rainy cold weather is good for you. I know the riding weather has been top notch because we are seeing a lot of bikes.

The field meet was a blast. The new location worked out well. The fair was happy with our event and have been invited back next year.

Everything went well.

I want to thank our region for all their help and hope you had a good time.

We went to the Freedom Rally in Lansing. Lots of people there supporting our rights!! Our LO committee works so hard with not much glory. So if you see Cricket, Bear,

Woody, Jeremy or anyone else that fights the fight, say "thanks for giving a shit!!"

We have our memorial run July 19, please join us. Rick and Joan Lawrence have a great run planned. Kickstands up at Baileys at 12:30

The bike raffle weekend is coming up and we have presale tickets for the event. Hit me up for yours. It's again at Clare County Fairgrounds in Harrison again. This event is open to the public so bring some friends. Golf carts are available to rent again. Two seater \$105 and four seater is \$115. Reserve them soon.

Hope the bike ticket sales are going strong. Jerry and Mich. have been selling them like crazy. We have a few bike nights to attend. Need more info, want to help out or just want to sit with me and people watch let me know!!!

Baileys is having bike nights on Thursday nights. I haven't made it there yet as June was a busy month for this old lady and her family. So let's try to stop out for a bit and say hi to Randi and Doug.

Have ideas for some things to do, have ideas for winter fun, have ideas to make our region better!!! Bring it to a meeting and let us know. The members are what matter.

Let the sun shine

Let the wind blow

Let the rain stay away when we want to ride

Let the bad word winter stay away as long as possible

Peace
Merry.

HELLO REGION, 13!!

Wow July already.
Seems like we just left
spring behind us yesterday!
Not a bad turnout for
being July 4th weekend. We
need the tickets back at the
August Meeting! they will
be turned in the following
Monday!

We had an update from
Herb. Not much is going on
in Lansing but that doesn't
mean that we are not busy.
Look up your reps' coffee
hours or town meetings
and let them know that they
have motorcyclists in their
area that do pay attention to

what is going on.
Jinx updated us on the MRF
and the importance that
they play in DC and the
importance of keeping up to
date with the call to actions
and becoming a member.
We have 2 events in August.
The flyers are out there on
several Facebook sites and
some places around the
region.

The first one is on August
2nd which is the PAC run.
The Proceeds will go the
MMPAC, so please attend
Sign up at 11 kick stands up
at noon!

The second one is a new run
that is being held with the
Proud Vets and that one is
our Special Olympics charity
run. That one is going to
take place on August 23rd.
We will have vendors and a
ride in bike show. The CMA
will be doing a breakfast at
10am. Registration will open
at 11 with kickstands up at
noon!

On September 27th we
have the Run For the
Region. Same as always,
registration opens at 11
with kickstands up at noon.
This run is to help with the
region funds. If we want to
do stuff, we have to have the
funds to do it.

Buttons will be at a couple
of places in August with
the Region 13 booth. One
is Heats custom cycle in
Stockbridge and at the end
of August we will be at
Hudson Leather.

Sorry if I missed anything
trying to get my bike going
for the run tomorrow. Till
next time!

Ride safe,
Dano.

Report from Region 19
For the August 2025 Michigan Rider

Region 19 met on Tuesday, July 1 at Waterford's Shark Club at 6:00pm with most of the regulars in attendance. First things first, we ordered food; the chicken tacos worked for Hess and Speedy while the 5 trillion calories on the nacho platter served further down the table looked really good! Come on out to our next meeting and try some Shark Club chow for yourself.

RC Bill called the meeting to order at 7:10 with the Pledge of Allegiance followed by report:

- Bill thanked everyone for taking the time to attend our meeting. We are living in strange days when it is difficult just to get folks to come out for a bite to eat and to talk biker stuff. Most of us never thought that things would be this way, but so they are.

- ABATE needs to increase its membership and the attendance of its members at their Region meetings. Making this happen is the difficult part and any good ideas would be greatly appreciated!

- Woody (ABATE Operations Officer) has sent a memo to RC's about a possible state-wide realignment of ABATE's Regions, requesting feedback on this topic. Bill did not have detailed information on

what this realignment might involve but the concept sparked a good bit of speculation around the table.

Speedy reported that two expenditures took place during June including our annual contribution to the Motorcycle Riders Foundation (MRF) and the cost of our table at the Waterford Expo. She also stated that the treasury remains stable.

Hess then distributed his LO report and discussed ABATE's recent legislative activities.

1. The Freedom Rally:
• Our LO arrived early in Lansing and visited the offices of his Rep (Mark Tisdell) and Senator (Mike Webber). Hess also made stops in the offices of Carter, Steele and other friends of ABATE to remind these folks that ABATE needs their friendship and support.

• The Freedom Rally itself started at noon, and ABATE's leaders put on good faces as they spoke but appeared frustrated by the lack of progress. Layers of dysfunction in the state legislature make passing legislation to solve the PIP issue very difficult.

• And perhaps even worse, in a meeting with Rep Mike Harris, ABATE leaders were told that our old bill (HB 4809) that would change the "order of priorities" allowing bikers to access PIP coverage from their auto insurance would never be passed into law!

• This was an especially bitter pill given that ABATE has spent 6 years working to advance this very concept.

• It also meant that

ABATE must now find a new path forward in its efforts to resolve the PIP issue.

2. LO Conference Calls: There were two during June.

• The first took place on the 19th and was as grim as the Freedom Rally.

• The news about HB 4809 was repeated. The concept that bikers injured in crashes could access the PIP from their car insurance has been a cornerstone of our efforts since 2019. That entire idea now appears to be dead and a new approach to the PIP crisis will need to be developed.

• To start this process Bear asked LO's to put their thoughts about the PIP crisis on paper and to email these to him prior to 26 June when a follow up conference call was planned.

• Hess sent his report to Bear on the 25th and copies of that report were distributed around our table.

• That second call took place on the 26th and while the conversation did not produce a specific plan, it did reiterate the concerns and complexities of the issue.

• It is now clear that cooperation, flexibility and wisdom will be required from all parties involved if we are to achieve an equitable solution to the PIP problem.

• As this report is being written, a face-to-face meeting among ABATE's Legislative Officers and other leaders is being discussed. Such a meeting will be required to develop a clear strategy to guide future efforts.

Which brings us to a few final thoughts:

Our organization is going through some difficult times. ABATE is faced with complex challenges and is frustrated by a legislature that refuses to recognize its responsibility to provide effective and fair legislation. ABATE members and leaders must all keep in mind that the PIP and attendant care crises are NOT OUR FAULT!! These problems lie clearly at the feet of those who passed and then signed SB 1 into law. ABATE of Michigan is a small organization of volunteers who have worked hard to solve the problems caused by SB 1 while also managing their own private lives. It behooves each of us to treat our ABATE brothers and sisters with gentle kindness, respect and forbearance as they continue to work on these issues.

Region 19's next meeting will take place on August 5, 2025 at the Shark Club, located at 6665 Highland Rd, Waterford. Dinner is at 6:00 and the meeting begins at 7:00. We hope to see you there!

ABATE of Michigan
Thank You for the donations in
Memory of James Parsell

Gone
but never
forgotten

James Howard Parsell of Caro, age 78, passed away peacefully on, Sunday, May 25, 2025, at United Hospice Service in Marlette. James was born April 11, 1947 in Caro, the son of the late Harry and Georgianna (Russell) Parsell. He graduated from Caro High School in 1965, went on to attend Olivet College where he obtained his Bachelor of Sociology and Psychology in 1971. James continued his education at Central Michigan University, Saginaw Valley State University, and taught Psychology at Great Lakes Junior College. He started his career working as a Milieu coordinator at Starr Commonwealth for Boys, went on to Genesee County Community Mental Health where he was administrative coordinator of the children's partial hospitalization program. James obtained his license as a nursing home administrator and ran the Genesee Skilled Care Center in Flint. He came back to Caro to work at the Regional Mental Health Center as program director. While in Caro, James was able to help many people in their time of need. He would work pro bono with many clients. James' heart was always in helping those in need and getting the care they needed. When James wasn't working, he enjoyed motorcycling, boating, and hunting. He was a proud member of ABATE of Michigan, Motorcycle Riders Foundation, the Moose Lodge of Caro, and Michigan Confederation of Clubs. James had a zest for life and his kind, caring ways will be missed dearly.

Letter Writing and E-Mail

A personal letter or message via e-mail or the Internet may be the most effective way of contacting your legislator, whether in Lansing or Washington. Consult the Congressional (p. 4), House (p. 31), and Senate (p. 53) directories in this guide to find the addresses of Michigan legislators. Many offices prefer e-mail.

A Citizen's Guide to State Government.

<https://www.legislature.mi.gov/Home/Publications>

If you're new at this type of letter writing, here are some suggestions on how your letters can be most effective: How to write a letter to your representative: Click [HERE](#)

The intent of this CITIZEN'S GUIDE is to provide some of the specific information needed to get in touch with the RIGHT PEOPLE AT THE RIGHT TIME to make your concerns heard. It is hoped that it will be a reference tool that will assist

you in your efforts to be heard by public officials.

It is of primary importance that the general public increase its participation in the decision-making process. In order to actuate this input, the citizen must acquire an understanding of the legislative structure and process and then organize concerted efforts to effectively demand representation. Individuals can have an impact on specific legislative proposals, provided it is made at the appropriate time. Organized community and citizens' groups can multiply the impact of that individual effort. Organizing citizens' groups to deal with specific community problems is extremely important. Such groups provide a focal point from which citizens can participate in the decision-making process and influence legislation.
