Gary Gerow opened the meeting with the pledge of Allegiance. The pledge was followed by a moment of silence for Gerald 'Gerry' Spomer. Gerry will be missed; He and Mimi are and always will be part of our road-family. Region 12 sends its prayers to the Spomer family.

Candidate Matt Nilson is running for Congress; he came in and spoke about the platform that he is running on. Matt is a retired Army Green Beret, he is a wrestling coach at Hartford high School, Matt is a member of Michigan Farm Bureau and was the former chair of the Van Buren County Republican Party. Matt has a strong understanding of the insurance problem that motorcyclists in Michigan are facing and understands what it will take to overcome some of those obstacles. If you live in the Van Buren county area, go and listen to Matt speak and reach out to him. Some of his contact information is as follows: vote@mattnilson.com, www.facebook.com/votnilson.

Bear gave the MRF report. Biden has lifted the restrictions on E15. E15 will be available for sale between June 1st and September 15. The goal is to try and drive down the cost of fuel. Experts predict this will result in decreases of 5-10 cents per

gallon. The EPA is using the invasion of Ukraine as an excuse to use its emergency exemption authority. The EPA has stated that it will review this policy every 20 days. Bikers on the beltway is on May 16th. Abate of Michigan is not participating this year due to costs. All motorcyclists be aware, robot cars are on the road!!! Recently, one was pulled over for not having headlights on with no one inside. After the officer returned to his car to talk to his partner, the robo-car drove off!! The officers had to chase the car down again; no word if the car was put in cuffs and jailed for fleeing and eluding. MRF has had robot cars on our agenda for a while, as there is not enough oversight. All motorcyclists need to be aware.... robot cars DO NOT SEE motorcyclists. A couple of quotes for Michigan Abate members to be aware of and laugh about:

"If 50 million people say a foolish thing, it is still a foolish thing." – Anatole France -

Don't forget the "FREEDOM RALLY" is coming up June 1st. Bring your butts plus 10!!! (friends or family) bikes or not. There will be no meeting in June due to Region 12's poker run on June 5th and the State field meet. The next Region 12 meeting will be July 10th at the Eagles of Paw Paw (we plan to have more speakers at this one)(Lemme know who you would like to see there.

Ann was not present at meeting to provide report.

However, we were all blessed with the presence of Jim Rhoades at our meeting. Jim reviewed the negative and potentially

devastating impact of the SB1 insurance reform bill regarding motorcycles. Jim noted that, "This is far more important than the helmet law, and it is imperative that we all contact our Representatives and Senators in support of HB4809 and we show up on our bikes, at the Lansing Freedom Rally on June 1st."

Jim mentioned, "the importance of contacting your insurance agent to understand your coverage or lack of coverage, concerning your motorcycle policy."

Jim also mentioned, that "Mike Detmer is a candidate running for the 22 District Senate seat, and needs our support to replace incumbent Lana Theis, who chairs the Insurance and Banking, and Senate Education and Career Readiness Committees, and is vice-chair of the Oversight and Regulatory Reform committees, and not supporting ABATE in insurance reform initiatives for motorcyclists."

Region 15 meeting April 24, 2022

We met at Region 14's new digs in Saline! Very nice place, very hospitable. They have landed on their feet and are off and running!

After Region 14 RC Shiny Bob concluded his meeting, Jeremy started Region 15's meeting. He explained our shirt inventory, we have been working on this for some time and we need to move forward to purchase these shirts to sell at our events. Jeremy asked that we meet directly after this meeting to review what we have for a design. Pam made a motion to spend the money for ordering the shirts, it was second by Steve. All members present accepted.

At our last meeting, we agreed to purchase a few items for prizes for our poker runs and events. Jeremy showed us one of the items that was purchased.

Region 15 Poker Run May 15, starting at Cavills in Taylor Registration 11-1pm. Contact Jeremy or Clair for additional information.

The Field Meet basket is something a little different this year, it includes many items for Motorcyclist to assist in breakdowns, or other trouble on the side of the road. It also includes a few premium liquor bottles, and some other legal items in Michigan.

The American Legion donated a nice bottle from behind the bar to our basket.

Discussion on changing our Downed Biker fund to include members of Region 15 who support us but do not ride. Tony made a suggestion of the wording; Pam said we need to wordsmith it a little. Tabled to next meeting.

Tony has some money collected for PAC; this was also tabled to the next meeting.

Discussion on a monetary donation to the FM. Members agreed to the final amount to be sent in.

Turn in your sold bike tickets to Jeremy, there are still a lot out there that have not been turned in.

Jeremy ordered more tickets from Mimi.

Defrost run was a great event, they let us set up a table inside. George and Pam came early to hand out flyers and sell signs. After their raffles, we could sell our raffle tickets. Claire and Jeremy handed out flyers to the crowd outside and sold bike raffle tickets and memberships.

June 1st Freedom Rally, Jim said they were still working on the parking around the Capitol. Pam gave an update on the FM, all consignment

tickets given to the Seminar need to be mailed to Eric Eads sold with check or unsold. All three regions have tickets available. Your tickets include camping for the weekend starting Friday June 10 leaving Sunday June 12 this is first come first serve. If you want to come earlier than Friday, you must make a reservation with the campground. If you want to rent a golf cart, contact Merry Garrett for a reservation.
