ATTENTION

ALL MICHIGAN RIDER READERS:

We would like our members input.

Due to ever increasing costs to put the ***Michigan Rider*** out to the membership, ***ABATE of Michigan*** board members are considering eliminating the ***Michigan Rider***.

You will see in the bylaw proposals one bylaw that proposes a ***digital editor*** instead of newsletter editor. This would essentially do away with the printed version of the newsletter but continue with the information on the website.

As you will see there are many bylaw proposals that are cost cutting.

Your *feedback* is important to us. Please let us know whether you would like to continue receiving the printed *Michigan Rider*. We would like to hear from our members before the seminar so your opinions can be shared and discussed.

There will be more information regarding bylaws in my article this month.

If you would like to continue to receive the newsletter in the mail please either send this form back to me or email me at **gkopta1@gmail.com**
