Hello Region 9
I am happy to report that raffle ticket sales are going well and that I have awareness signs for sale.
The Freedom rally at the capitol is happening on June 10th hope to see you there and at the ABATE Field meet that is happening June 12-14.
MRF continues to monitor the deployment of e15 into our fuel. I ran into pumps at the Meijer station in Ionia Mi. that recently started selling e15. The pumps have three hoses. I saw a sign encouraging me to use e15, I don't use anything but e10 even in my truck that is a flex fuel. So I grabbed the hose and punched the button for regular and started filling my tank, about half a tank I looked at the pump and saw it had changed to the e15 buttons I Stopped and looked at the hose I was using and saw where I took the hose from had a sign that said it was 88 Or 89, not E15. Well I figured one tank full on my car couldn't hurt, except for some mileage. I filled my bike at that station yesterday and the hoses were clearly marked and I got the premium

I wanted. The point of my story is pay attention to what is marked on the pump or you may get some shit that will not be good for your engine. Some of us older people remember when E10 was not in many stations and it wasn't long before you couldn't get 100% gasoline anywhere. MRF is trying to stop that from happening with E15.

Ride safe, Ride free

REGION 12 - VanBuren, Kalamazoo, Berrien, Cass, St. Joseph RC - Joylynn Wojciehowski

Sunday May 3rd,

Gary started with the Pledge of Allegiance.

Joy with the Treasury Report - We have a lot of events coming up to help with bringing our balance up at the bank.

Bear with MRF Report - MRF April 2026 - NTSB is investigating Ford's Blue Cruise System. This is similar to Tesla's Robo Control Car. In 2 fatal crashes, federal investigators pointed to a dangerous combination of driver overreliance and technological limitations resulting in 3 fatalities. According to NTSB, the system failed to detect and respond to real world conditions, including a stationary vehicle and speeding in a work zone. As bad as that is, drivers place too much trust in the system

and failed to remain engaged behind the wheel. This tech doesn't fully account for all road users, including motorcyclists and are creating new and unforeseen dangers when it comes to automation. Awareness isn't optional and neither is our voice.

Definition of a Motorcycle (H.R.3385) status still in subcommittee on Commerce, Manufacturing and Transportation. Auto cycles (enclosed 3 wheels, steering wheel) you only need a regular license, yet a motorcycle license is required for any 2 or 3 wheel vehicle that exceeds 30 MPH or requires shifting. Seems to be confusing to me. This is why H.R.3385 is so important. Go to MRF.Org then ALERTS, fill out alert on H.R.3385.

2024 NHTSA stats are out. 6,228 Motorcyclists were killed in 2024, a drop of 138 from 2023. Motorcyclists continue to represent too large a proportion of roadway deaths as overall deaths went down by 4.3% in 2024. At the same time, motorcyclist injuries have increased by more than 5%, year over year. Alcohol and lack of training continue to play a role in motorcycle crashes. As MRF VP Jay Jackson says "A crash that never happens is better than a safer crash."

Highway bill is still in Committee.

Right to Repair Act, H.R.1566 - Many in the motorcycle industry are

pushing to defeat it. If defeated, this will gut the independent shops. All in the name of corporate control.

Bear's Quote of the Month: "So, if we lie to the government, it's a felony. But if they lie to us it politics." Bill Murray.

The Christian Motorcyclists Association is in charge of the Monday night Ice Cream Rides at West Main Meijer, 7 pm sharp departure. Arrive beforehand at the parking area behind the Meijer Gas Station and Jiffy Lube. Any Questions see on Facebook C.M.A. SOUL SEARCHERS Kalamazoo MI #358 or ask Sue B. at a meeting. Every Monday from May to August.

Antique Motorcycle Swap Meet is May 17th and is at the Centreville Fairgrounds. Joy will be there Sunday. It is from 9 am to 4 pm. There is an entrance fee to get in. You can help her sell signs, sign up new members and sell Money Raffle tickets.

Freedom Rally is June 10th at 11 am in Lansing. See flyer on Facebook and in Rider.

June 12th-14th is the Field Meet in Harrison, Michigan. You can buy presale tickets from me for \$30 single or \$50 for couples. You have to be an ABATE member at the time. It should be a great time. See the flyer in The Rider and on Facebook.

July 25th-26th is the Niles Burn Run where there is a

ride and the proceeds benefits burn victims. Joy will be out there Saturday with Money Raffle tickets, yard signs and membership questions. Ride is Sunday.

We had new member Larry B. join at the meeting. Welcome back to ABATE Larry!

We will start having the mini poker runs after the meetings, maybe every other month. See Eric for details. Come to a meeting to hear what's important, then go for a ride!

We drew for 50/50 raffle and Eric E. won. We drew for a Money Raffle ticket and Chris G. won. We drew for the incentive drawing and Stacy N. would have won if they were present.

Bear motioned to close the meeting and Gary seconded it.

Thank you,

Joylynn Wojciehowski.

REGION 13 - Calhoun, Jackson, Branch, Hillsdale RC - Dan "Dano" Kenzie

Hello region 13!

We opened the meeting at 12:00 with the pledge of allegiance, followed by a moment of silence.

Sassy our treasurer was not present but by my files we are still in the good. I will get with her later this week to get a check to cover our trophy mugs for the poker run.

Jinx our MRF representative will be going to NCOM in 1 week followed by a trip to DC the week after that. Sounds like he has a full plate ahead of him! He also filled us in on the fact that someone in DC is pushing a national helmet bill. Yes I know we hear about his every year, but all it takes is a momentary attention lapse and we will no longer have a choice weather or not we want to wear a lid. This is why the MRF is so important, just like ABATE of Michigan keeps an eye on the state issues, the MRF keeps their eye on our national issues. Please if you are not a member, join, sign up for the notifications, reply to the call of actions. It does make a difference.

Our RC Dano reminded us that our poker run is going to be this month on the 16th! I did get with Sassy, and the trophies have been paid for. This is our regional run / Awareness run, it's where the region gets most of its funding for the year. Come on out and support it. After that it will be Memorial Day weekend at Hudson Leather! We will be selling raffle tickets and trying to get some new members. Probably spend some cash down there as well. Come on down and say hi! We are not that long into the 2026 riding season and already 3 people that I know well have been in wrecks. 1 to a pothole, 1 to a driver spiking breaks and 1 to a head on deer collision. Remember, we are nothing more than a target to the cagers and to the animals we are a target. Keep your head on a swivel! Let's not forget that with spring comes the orange cones and barrels. Yes, everyone's favorite time of year construction season.

Buttons our awareness director will be down to Hudson Leather and will give an update on that at our next meeting. Bumper our Road Capt. Would like to remind everyone that with spring comes the throttle itch. The prying song of the pipes to get you to get on your bike and go, but if you are not sure or if you know that there is something that you should check, resist the urge, it could be a couple hundred dollar fix now but it could easily end up costing a lot more than that if it is ignored. Make sure your bike is ready to go.

Well that's the update for this month. With everything that is going on with NCOM, DC, poker run and Memorial Day, the next meeting should be an interesting one. Enjoy the rides when you can squeeze them in
Dano.

REGION 14 - Livingston, Washtenaw RC - Shiny Bob

The sound of thundering bikes rather than thundering rain was heard right before the meeting started. Anyone that attends Region 14 meetings know, Shiny Bob runs a tight ship. Meeting starts on time with pledge allegiance and a moment of silence

followed by an organized meeting. May is Motorcycle Awareness Month, signs are available for sale, June hosts both the Freedom Rally looking to meet/leave Fowlerville 10:00am (fish fry seems to overshadow the reason for the rally, sad but true) & ABATE Field Meet (lots of goodies planned, always a good time). Fingers crossed on the insurance situation, sounds like a win for motorcyclists, I am limiting my comment as I am not going to miss speak and end up getting sued by someone because they took my word as gold. The Taco fundraiser was a success! A huge shout out to everyone, whether working or supporting by eating – every taco made and eaten made a difference. I personally would like to see a Sloppy Joe event next, but I may be in the minority, or maybe a brownie bake off. Back to Motorcycle Awareness Month, while on a motorcycle we need to remind ourselves it is also our responsibility to be aware of our surroundings, the distracted drivers, Drivers turning left and the damn roads that did not get fixed. Ride Safe In case you read this prior to our next scheduled meeting May 24, the day before Memorial Day, which we did not catch until today, soooo we will meet May 31st 4pm instead. Sorry for

the late notice but we are still full of tacos.

REGION 15 - Wayne Interim RC - Shiny Bob

Spring has Sprung meeting pushed up to May 31, have a great memorial day weekend, June 10th Freedom Rally, see flyer Great Fish Fry. Field Meet June 12-14 see flyer, June meeting back to 4th Sunday 4pm American Legion Post 322 Saline Mi. Tell drivers there brake light is not working, watch for no signals, distracted drivers. RIDE SAFE. JOHNNY.

REGION 18 - Lenawee, Monroe RC - Leroy Cuykendall III
No report this month.

REGION 19 - Oakland RC - Bill Stewart

From Region 19 For the June 2026 Issue of Michigan Rider

Region 19 met at the Shark Club on Tuesday, the 5th of May and our meeting was called to order by RC Bill Stewart a few minutes after 7:00 pm when dinner was finished. We began with the Pledge of Allegiance and a moment of silence. Bill reported that:

- There were no significant new announcements from the MRF, but important things are taking place for that organization:
- Bikers Inside the Beltway, MRF's big lobbying event for 2026, will take place on 18 and 19 May in Washington DC. This is MRF's primary opportunity to influence national legislation that controls the legal aspects of riding motorcycles on our nation's highways.
- We were reminded that MRF's Meeting of the Minds will take place in Milwaukee this year. This event provides a great excuse for riders to visit Harley-Davidson's hometown and the opportunity for riders to learn more about the MRF. MOTM will take place over the Weekend of 24-27 September.
- Bill stated that every rider interested in preserving and protecting motorcycling should attend these events.
- In a heartfelt

statement, our RC commented that he has become frustrated because his repeated attempts to invite more Oakland County ABATE members to attend our meetings have produced few if any results. So please, Oakland County ABATE brothers and sisters, come to our meetings and help us become the active and thriving ABATE Region that we should be...

- ...ABATE of Michigan suggests that all Regions offer leadership positions from Awareness Coordinator to Sergeant-at-Arms. There are about 15 of these Region-level positions available in each Region. Sad to say, Region 19 has only three of these positions currently filled: RC, Treasurer and Legislative Officer.

- If you live in Oakland County and appreciate having the freedom to ride motorcycles, come to our meetings and help shoulder the load.

- Region 19 needs you, and you need Region 19!!

Speedy (Our Treasurer) was not in attendance but sent her report which was presented by Hess:

- The Treasury remains stable.

- Speedy included a motion that Region 19 make a \$100 donation to ABATE of Michigan for either a sustaining membership or as a Legislative Supporter.

- After discussion it was decided that we would send \$100 to ABATE in support of the organization's legislative efforts. The motion carried unanimously. Hess then presented his Legislative Report. The information provided was based on a recent phone conversation that Hess had with ABATE's State LO, Bear Schuitema:

- The appeals court decision that finally resolves the PIP issues created by 2019's SB 1 has so far survived any early attempts at reversal.

- There has been no effort to take that appellate court decision before the state Supreme Court.

- Four insurance-related House Bills (numbers 5886-5889) have been introduced, but these bills do not address the appeals court decision that allows the stacking of coverage for an injured biker

using both the PIP of the car driver and his or her own auto insurance PIP.

- Should the appeals court decision have full, long-lasting effect, it should provide final resolution for our PIP crisis.

- Hess went on to comment that while this action by the appeals court provides bikers with way forward, Michigan's intransigent legislature has still not dealt with this problem directly. This says a great deal about how things work (or fail to work) in Lansing.

- For seven years legislators ignored consistent pressure from ABATE and others to resolve the PIP problem. This makes pretty clear the depth of legislative dysfunction that exists in Lansing.

Finally, DON'T FORGET:

- ABATE members really need to show up for this year's Freedom Rally! Plan to be in Lansing on the 10th of June at 11:00 a.m. Parking is on Ottawa Street near the Lansing White House. Let's show Michigan's legislators that motorcyclists care about riding and the future of motorcycling in our state. We are looking forward to seeing you there!!

The next Region 19 meeting takes place on Tuesday evening, the 2nd of June 2026. Come to the Shark Club at 6665 Highland Road in Waterford. Dinner is at 6:00pm and the meeting will start at 7:00. Help keep our Region moving forward!

Submitted by Hess Bates, Region 19 Legislative Officer.

REGION 20 - Genesee, Shiawassee RC - Steve (General) Graves

Informal meeting again.

Our Awareness ride is May 31 after meeting. Country Ranch Restaurant in Morrice. KSU around 2:30pm.

Bike nights at Vehicle City H-D in Flint are the last Friday of each month from 6-9pm thru October.

Capital Ride is June 10 on Ottawa St.

Meet at Burger King in Perry. KSU

@11am. It is more of a Block party than a protest.

Legislative: The Kent County court

case for Digital Proof of Insurance is past the Statute of Limitations. Some counties do not accept this.

Insurance for your bike should have unlimited medical coverage to be fully covered. Check your policy with your agent.

There are printable forms on Abate of Michigan website under forms and flyers.

Proclamations: If any of you are interested contact me for info.

That is all. Have a good day and ride safe. Steve "General" Graves.

REGION 21 - Oscoda, Clare, Mescosta, Isabella, Montcalm

Interim RC - Vern Shock
No report this month.

REGION 22 - Grand Traverse, Leelanau, Benzie, Manistee, Wexford RC - Greg Bennett "Break Down"

Meeting was called to order at 18:35 hrs by Greg.

The pledge was led by Ron and recited by all, followed by a moment of silence.

Greg thanked everyone for coming and stated that the last meeting regarding the summer party was good and it was great to see a lot of coming together for team work. He has been wondering about all the upcoming bike nights and how we can become more competitive with them. He also stated that he would like to participate in

more of them.

Minutes were read by Sam. Motion by Karen to approve with corrections, second by Gina B. Discussed and carried.

Treasurers report was given by Chey. Motion to approve by Woody, second by Ron. Discussed. Motion carried.

Woody stated a big thank you from Kalkaska trout festival for all the participation in the parade. This year we had a lot of bikes present and it was a great show. He also stated that there are a lot of events happening and some of them are on the same day. Pick what you want to support and can afford and do it. There will always be an event on the same day as another one.

Woody gave a LO report and stated that it is now law that we can stack our insurance on top of their insurance for great medical coverage if we are injured. There are other bills being worked on that our lobbyists are working on. The Freedom Fest in Lansing is June 10th with a free lunch.

Karen reported that bikes are out there please watch for them. She reported that we are putting in a post on Friday at 5:30. The ride is the 16th and she has been working with the pines and the guys that sponsor their bike nights in regards to things happening for Erik's Ride. They are in Wexford county which is part of our region so we should be supporting them and speaking of Abate to them. Gina and Karen have visited and spoken of Abate and Erik's Ride with the Christian Motorcyclists Association of Cadillac.

Mary B. showed us the shirts...They are in... \$20 for short sleeve and \$25 for long sleeve. Get with Mary. She also has a sign up sheet for sides for the taco bar at the summer party and a sign up sheet for working different areas and shifts. Mary also has raffle tickets.. get with her.

A motion was made to have our summer meetings - June thru August - on Sunday at 13:00 at the Laughing Horse. There was a second to the motion. Discussion and motion was passed with opposition. We will go back to the Wednesday meeting time after bike nights.

Motion was made by Woody to purchase awards for the bike of the night during bike night season. Motion was seconded by Ron. Discussion and motion carried. Still look for sponsors for the bike nights.

Watch out for police who don't like bikers and know your roads.

There is a fall ride in the works. Greg listed a lot of events coming up for all to be aware of.

Woody has discounted field meet tickets until the end of the month.

There will be lots of things happening at the summer party...It will be open to families but kids need to be gone (back at the campsite or off site) by 21:00 hrs. More to follow.

Woody made a motion to get more fliers made. Motion was seconded. Motion carried.

Motion was made to adjourn by Karen, seconded by Woody. Motion carried. Meeting adjourned at 19:30 hrs..
