THE TRUTH SETS US FREE

And you shall know the truth, and the truth shall set you free. [JOHN 8:32](#)

Who we are

- We are a group of Christians who desire to spread the gospel of Jesus Christ and the truths in the Bible.

What we're doing

- We freely give away copies of the New Testament Recovery Version and Christian books throughout the United States.
- We do this as small groups at various locations throughout our community.
- We also distribute these materials throughout the day on an individual basis to those with whom we come in contact.

Our materials

- Bibles for America, a 501(c)(3) nonprofit organization, is providing the Bibles and books for these distribution efforts.
- Individuals or groups may set up an account with Bibles for America and place orders for materials that they can distribute to others.
- The church will also maintain an inventory of ministry materials and RcV's.
- Many materials are available at low or no cost.

Our materials

- To order materials from Bibles for America as an individual, go to <https://www.tsuf.us/participate>
- Click on the Order Materials button. This will take you to Bibles for America to create an account.
- Once you've registered for a BfA account, it may take a few days for BfA to validate your information and send you an email that your account is active.

Our materials

- To order materials from the church, click the button at the bottom of the TSUF page on our website.

Keeping track of our labor

- We have a coordinator for our locality who provides information on our activities to the NorCal brothers.
- Each week, on Lord's Day evening, any individual or group who has participated in distributing the RcV or other ministry materials submits an email to our coordinator. This is done via a button on the bottom of The Truth Sets US Free page on our website.
