3. **Online Prophesying:** After each ministry message we encourage all the saints to join an online prophesying session in their time zone, which we hope will promote the blending among the churches. Churches participating in the conference should plan to include time for singing hymns prior to starting the message.

We are praying that the Lord will continue to open this channel for the release of His Word through this ministry. To that end, we hope that all the churches and all the saints will prepare for this upcoming time of ministry and sanctify these days for the hearing of faith among us everywhere. Please pray for His blessing upon this conference. May it turn out to be a memorial among us to the shame of God's enemy and to the glory of God's grace!
