

Greetings Good Shepherd Family,

As we move into the summer season, the CMT wanted to provide the congregation with an update in regard to in-person worship at Good Shepherd. With the lifting of provincial restrictions scheduled to take place this upcoming weekend we have had a number of members inquire as to when in-person worship will resume. We are all eager to gather together again but it is important that we do so carefully and responsibly. All of the decisions that the CMT has made during Covid have been made with guidance from the synod and with a firm desire to do what is safest for our church community and for the community around us. After a great deal of deliberation, the CMT has decided to resume in-person worship on Sunday August 22nd. We look to the lifting of provincial restrictions with a great deal of optimism but it also comes with many unknowns and we believe that it is wise to observe what takes place in those first few weeks. We are also hoping that starting later in August will allow as many of our members as possible to be fully vaccinated before resuming worship together. We thank you for your patience through these difficult times and we look to the future with great anticipation, confident that God has great things ahead for our community. As more information about in-person worship becomes available we will pass it along to the congregation and if you are in need of any assistance at all please contact the church office or Pastor Munye.

In Christ,

Nathaniel Gibson
