

Friendly fish 

The first Christians used the fish symbol as a secret greeting. One person would trace an arch in the dust like this:  The other person would add another arch like this:  Together, it made a fish. Christians today still use the fish as a symbol for Jesus' followers. 

Draw more fish here using only two lines for each fish. Share the drawing space with a friend, each person drawing one of the arches.

Dear Lord, all we have you have given us. Help us to share. Amen

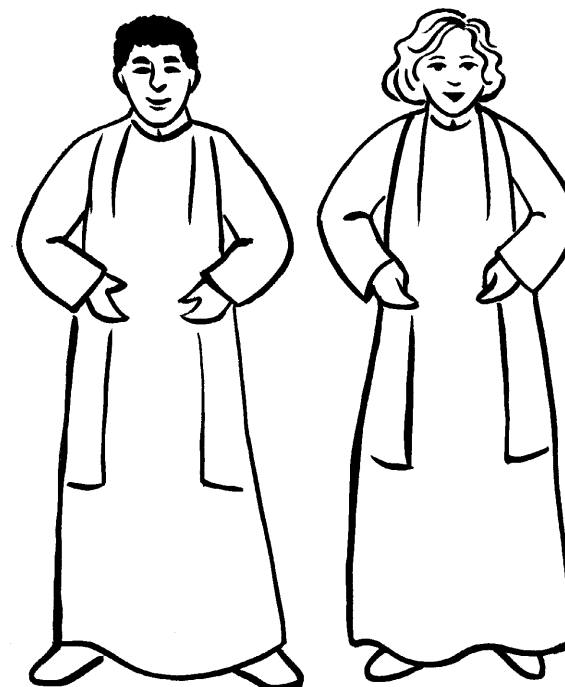

this week

Bake bread or rolls from a favorite recipe or from frozen prepared dough and share it with a neighbor.

**gather****Welcome to worship.**

Communion is a special time for all of God's family. It is a *sacrament* and sometimes called the Holy Eucharist or the Lord's Supper. At communion we share bread and wine with each other. We remember that Jesus Christ is with us.

Draw the bread and wine from communion in the ministers' hands.

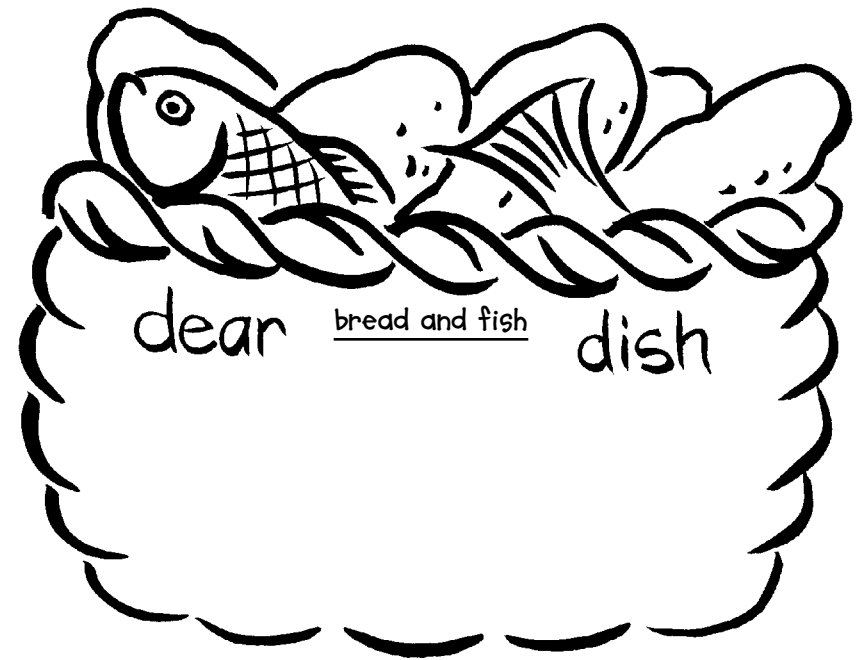

More than enough

John 6:1-21

So many people and not enough food! The disciples wondered what they should do to feed such a crowd. "There is a boy here with bread and fish, but what good will that do?" wondered Andrew, Jesus' disciple.

You can multiply "BREAD AND FISH" into many more words by combining letters in different orders. How many can you make? The list is started for you.

So many people and PLENTY of food! With Jesus' blessing everyone had enough to eat. Find the two fish and five loaves of bread hidden in the picture and circle them.

Share a handshake, hug, or smile with someone at worship today. Your kind action will multiply to others!
