Email:

### Information about our Good Shepherd Sunday School Program

- Classes begin with our **Good Shepherd Sunday School Virtual Program** October 3, 2021.
- The Sunday School programming is called "SPARKS "Lectionary, which focuses on learning for a mixed age group setting. We will utilize the middle Grades 3&4 to Grades 5&6 for lessons. However, the bulletin provided each week will have a pre-reader bulletin that will allow the younger children to participate.
- Should any family want to utilize the SPARKS program for their own personal lessons and resources, please email the church office and we will provide you the log in information needed.

Please check the box if your child and/or family would like to participate in a Christmas program this year.

**Parents Volunteers / Helpers Needed:**

Our Sunday School Program NEEDS volunteers to possibly read or sing. If you have time or talents that you can provide to our Sunday School virtual children's program, please indicate your area of interest and we will contact you. Any pre-recordings are welcome and will be submitted for Sunday Services online.

I, \_\_\_\_\_, give consent for my children listed on this registration form to have pictures taken of my child participating in congregational services and activities to be used promotion in publications (newsletters, pamphlets, etc.), including, but not limited to the internet (the Good Shepherd Facebook page and other social media formats that Good Shepherd Lutheran Church may use in the future, and on our congregational website.)

Parent Signature \_\_\_\_\_

There are no fees for registering your child in the Sunday School programming at Good Shepherd we hope that this online registration will allow us to keep our children's community with our friends active and vibrant virtually. We hope to have programming for a Christmas Pageant - stay tuned!

Thank you for enrolling your children.

We look forward to a fun, rewarding year of learning and growing in God's love together!
