*Heidemarie Rothe*

unique artwork

Heidemarie Rothe creates unique and vibrant artwork. Most of the year she works and lives close to the artists community of Worpswede near Bremen in northern Germany. She spends some of the year in the English Lake District. She exhibits regularly, both privately, in galleries and at art fairs, in Europe. She is also involved in many architectural projects, ranging from public hospitals to private company offices, in which she provides advice on colour, and is commissioned for her creative and powerful pieces. Heidemarie Rothe is a free lance artist, whose carpet pictures, acrylic paintings and glass designs are truly remarkable.
