

Role Description 8 - General Help / Maintenance Volunteers

Volunteering to help with general “set up” for events and gigs, to maintenance and painting at Jubilee Hall is a practical way to help support the running and upkeep of the building and keep it looking cared for. Tasks might include touching up paintwork, helping with small repairs, tidying outdoor areas, weeding, checking fixtures, or supporting larger maintenance days when extra hands are needed. Plus, another “pair of hands” to help set up the hall i.e. live music gigs and events.

Volunteers can give as much or as little time as they are able, and even small jobs can make a big difference. By helping to maintain the hall, volunteers help create a safe, welcoming, and pleasant space for everyone who uses it.

This really does need to be a “team effort”. Same scenario as the bar / kitchen. We need a team of volunteers or to put it another way “a pool of resource” that we can rely on to help, maintain and provide a “pair of hands” as and when needed.

1. Assists with painting and small repairs
2. Helps tidy outdoor areas, keeping “weed free” and check fixtures
3. Joins larger maintenance days for hands-on tasks
4. Offers flexible time — small jobs make a big difference
5. Helps set up tables and chairs for events
6. Helps keep the hall safe, welcoming, and well cared for
