

What would you do if you had 30 minutes to evacuate?

What if an emergency was been declared for the Placitas area!

- What are the top five things that you must do if an emergency order has been declared for the Placitas and the surrounding area?
- An emergency could be a wildfire, a gas pipeline break, or catastrophic flooding, among others.
- We all know we need to prepare for emergencies, but what are the most critical five things we need to do in those first moments.

Concerned citizens of Placitas will be hosting a meeting November 14 at the Placitas Community Library, Gracie Lee Meeting Room, from 7PM to 8PM. We will have speakers from the NM Department of Homeland Security and Emergency Management as well as Sandoval County Emergency Management to discuss these critical issues.
