SUMMER CAMP PERMISSION TO UN-MASK

Following the latest CDC guidelines as well as the New Jersey State Summer Camp Guidelines we will be giving students the option to stay masked or take their mask off indoors as well as outdoors. We understand this may make you uncomfortable and if you want to continue to mask your child we completely understand. We will do our best to keep kids distanced at all times, especially while unmasked. We want all of our students to feel comfortable and safe in our facility.

Please select the boxes below that apply to your child:

- My child has permission to take their mask OFF indoors.
- My child has permission to take their mask OFF outdoors.
- My child DOES NOT have permission to take their mask off at ANY time other than eating and drinking.
