

In addressing issues of the global pandemic, can we learn from Israel's approach?

IOWANS SUPPORTING ISRAEL PRESENTS

Dr. Asher Salmon on Israel's Vaccine Development and Administration

Title: Dr. Asher Salmon, Head, Department of International Relations, Israel's Ministry of Health. Current position: Head, Department of International Relations, Ministry of Health, Jerusalem, Israel

Dr. Salmon's program provides an opportunity to inform Iowa health and community leaders of Israel's health benefits to Iowans.
