Kelly Ann Worthington
BRANCH MANAGER | SENIOR LOAN OFFICER
NMLS#1464587

I live in the suburbs of Cleveland, OH. Alongside my husband, we have four children between the two of us and a Great Dane.

I graduated from Baldwin–Wallace University with a Bachelor's Degree in Business Administration and Marketing that has helped me throughout my 19 year career.

My strength is developing relationships not only with agents that I work with, but also with the clients they entrust me to take care of. Communication, prompt close times, and transparency are key values to me and those relationships are the cornerstone of my business.

"Kelly Ann is a BOSS! She comes out of the gate ready to get you pre-approved and all of your documents in so they can be reviewed quickly. Her hard work, dedication, motivation, and knowledge made this process so much easier and we were able to close in only 15 days on our new home! I HIGHLY recommend her! She's beyond exceptional!!!!"

"Kelly was always available and timely in explaining any questions that came up–dealing with all the documentation felt easy with her system and her and her team were always on top of it. I have zero complaints, I had an excellent experience working with Kelly and her team. As a first time home buyer I felt taken care of and guided along the way. Kelly helped me close on a difficult home that went on for months and was happy to help the entire time from point A–to–Z. I would recommend this lender!"
