STOP

All these healthy young people 'died suddenly' shortly after their COVID 19 shot...they are the faces, behind the above statistics.

90% of deaths/injuries came from 5% of shots. *Slowly and quietly... this continues.*

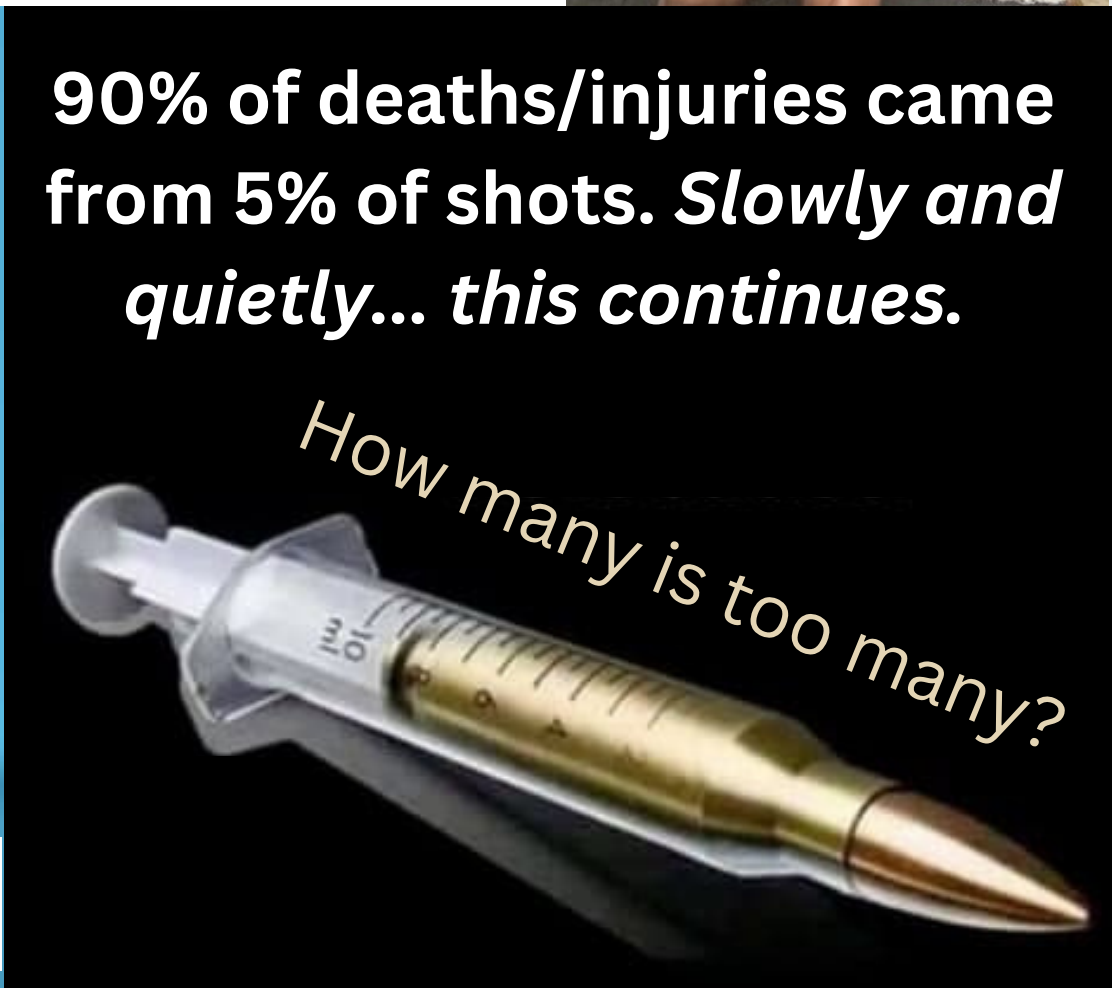

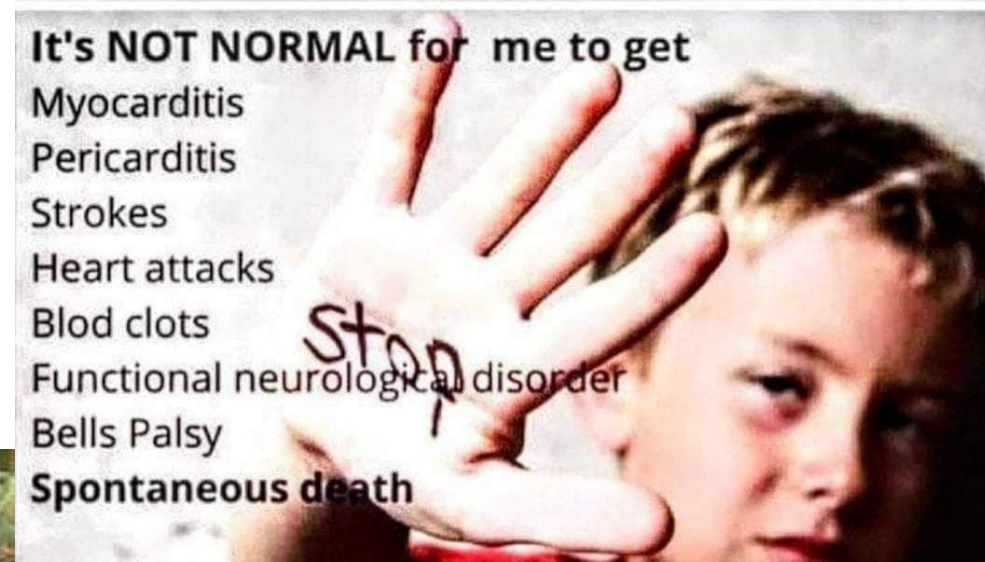

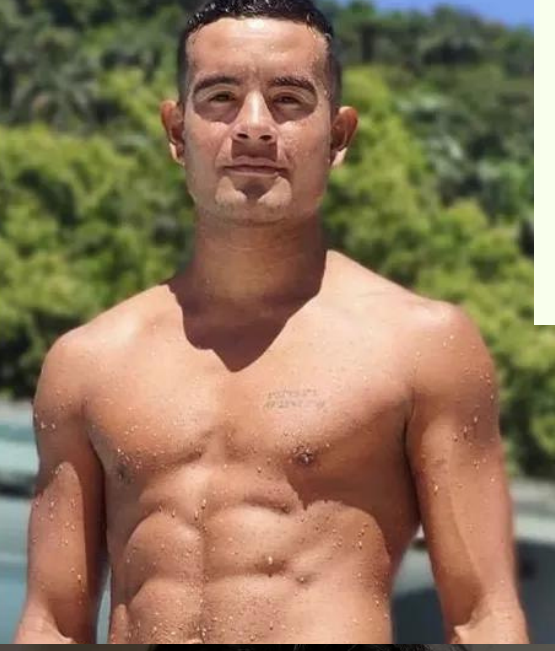

How many is too many?

Regular boosters?!

The shots did not stop transmission, or infection. The people who told you the shots were safe and effective, are now telling you it's all over. They lied, and they're still lying.

Silence in the face of evil, is evil itself.
