GRANTING FUTURES: A COMMUNITY OPEN HOUSE

This year's event took place on April 30th at the Lincoln Arts Center. This was not only an exciting night of presenting the Nonprofits their grant checks but we were also celebrating our 20th anniversary and recognizing past Board Members and those who were a part of the Foundation from the beginning. In those years, RACF has granted over \$1.3 million back to the local community and there has been 33 Funds established with one acorn fund.

RACF has provided a place for individuals to business to be able to share in giving that directly impacts our community and the surrounding areas. Your donation supports Chana, Creston, Esmond, Kings, Lindenwood, Rochelle and Steward. We were so excited to host an event where Nonprofits in those areas received checks to help with programs and projects that directly impact people in our community.
