NOTICE OF PARKING CHANGE

06/23/2025

Amie Hayes, Chair
Southeastern San Diego Planning Group
southeasternsdpg@gmail.com

The City of San Diego is proposing to convert the existing parallel parking spaces to head-in parking on Irving Avenue between Dewey Street and S. Evans Street. A map with exhibits is attached showing the proposed head-in parking. This new parking configuration will be installed on the south side of Irving Avenue between Dewey Street and S. Evans Street. This new parking configuration will add approximately 25 parking spaces and 1 disabled parking space.

Please review the attachments provided. If you object to the installation of the head-in parking on Irving Avenue, please check the box below, print your name, sign and return the form within 60 days to the Transportation Engineering Department at the address listed below.

☐

I object to the installation of angle parking on Irving Avenue between Dewey Street and S. Evans Street.

Name (Print): _____

Community Group: _____

Address: _____

For any questions regarding this installation, please contact:
