

RAINBOW HUNT

God told Noah to build a **HUMONGOUS** boat! Noah put his family and two of every kind of animal on the boat (that's a lot of animals!), and they were safe when God made it rain and rain and rain. Noah trusted God even when he didn't understand. Play this fun rainbow game with your preschooler and remind them that they can trust God too!

Here's what to do:

- 1** Grab some paper and crayons. Help your child draw a rainbow and talk about the different colors and how a rainbow helps us remember God's promise. Then play a fun game with colors!
- 2** Call out one color and have your child find toys that are that color. Encourage them to go fast and put them all in a pile. Call out another color and encourage them to make another pile of toys. Continue playing as long as they are having fun!
- 3** When you are finished playing, put on some fun music and encourage them to put everything back where it goes! 😊
