

# TOSSING TRUSTY

God helped Elijah by sending a BIG fire. Wow! Elijah was brave and trusted God. Play this fun version of "Hot Potato" with your child to help them remember that they can trust God too.

## Here's what to do:

- 1** Grab Trusty and sit across from your child on the floor.
- 2** Toss Trusty back and forth quickly (or include other family members and make a circle) while listening to our fun summer song, "I Can Trust in God," on Spotify.
- 3** Randomly stop the music and encourage whoever has Trusty to say, "I can trust God!"
- 4** Talk to your child about how they can trust God no matter what!
