ENROLMENT HANDBOOK 2026
COME JOIN OUR DANCE FAMILY

WELCOME TO LEAGUE23

Thank you for showing your interest in League23 Performing Arts Collective. We are excited to share our 2026 enrolment information with you in this handbook. Inside, you'll find everything you need to begin your child's dance experience with us. Should you require any assistance or clarification, please feel free to contact us via email and our team will always be happy to help.

At League23, our team of teachers are passionate about nurturing young dancers in a supportive, positive, and motivating environment. We are committed to strengthening each student's technique, skills, confidence, teamwork, artistic expression, and performance quality—while ensuring that every lesson is filled with creativity, encouragement, and fun.

We proudly offer classes for both our competition teams and recreational dancers, with some combined sessions to foster connection and growth. Each student is thoughtfully placed in classes that best suit their age, goals, and individual needs, ensuring they gain the most from their dance experience.

Our beautiful facility features three fully equipped studios and a dedicated music room, providing dancers and singers with an engaging, professional, and inspiring space to learn and thrive.

We look forward to welcoming you to the League23 family and sharing the magic of dance with you!

HOW TO ENROL?

We are so excited to welcome new and returning dancers to our League23 family! Whether your child is just starting their dance journey or continuing to develop their skills, we can't wait to share the joy of dance, build confidence, and create wonderful experiences with you in 2026.

ENROLMENT INFORMATION

Enrolment for League23 classes can be completed via our website. The enrolment form can be found under the 'ENROL' tab. Please complete all required fields and select the classes you would like to enrol in, including the day and time for each class.

ENROL FOR 2026 CLASSES ONLINE VIA OUR WEBSITE:

WWW.LEAGUE23.COM/ENROL

Once your enrolment is received, we will confirm your selected classes via email and send your enrolment confirmation. Invoices are to be paid at the time of enrolment to secure your place. As we have strict class capacity limits, we recommend having your class selections ready to avoid missing out—enrolments will close once the maximum number of students is reached.

- Priority enrolments will open on Saturday, 22nd November 2025 for current League23 students.
- New students can enrol from Saturday, 29th November 2025.

All new and existing dancers are required to enrol / re-enrol for the new year.

We are thrilled to have your child join our League23 community and look forward to inspiring, supporting, and celebrating every step of their dance journey!

JUNIOR STAFF

At League23, we believe in nurturing the next generation of dance educators. Our Student Teacher Program offers dedicated dancers the opportunity to develop leadership skills, gain hands-on teaching experience, and learn the foundations of effective class management. Under the guidance of our industry-trained staff, students are mentored in choreography, communication, and supporting younger dancers in a positive and engaging environment. This program builds confidence, responsibility, and a deeper understanding of dance education, preparing participants for future roles as teachers, assistants, and leaders within the performing arts. We are proud to help shape passionate dancers into inspiring mentors.

TIME & VENUE TO BE CONFIRMED

The League23 End of Year Concert is the moment our students shine! Held at the beautiful Wangaratta Performing Arts Centre, it's a chance for every dancer to experience the excitement of performing on a professional stage. All students are required to take part, with Tiny Tots participating at the parent's discretion. This special event celebrates their hard work, progress, and love of dance in a fun and unforgettable way.

In the weeks leading up to the show, students take part in Dress Rehearsal and Photo Day at our studio, followed by a Theatre Rehearsal on the big stage. These rehearsals give dancers the confidence to perform at their best, become familiar with the venue, and understand stage safety. By concert day, they're ready to dazzle, creating memories they, and their families, will treasure forever.

WHY CHOOSE DANCE?

Enrolling your child in dance offers countless benefits that extend far beyond the studio. Dance nurtures confidence, creativity, and self-expression, allowing children to explore who they are in a supportive and uplifting environment.

Choosing League23 for your child's dance journey means giving them a place where they can grow, feel supported, and discover what they're capable of. Our classes strengthen coordination, flexibility and confidence – but the benefits go far beyond the physical. At League23, dancers learn valuable life skills such as discipline, teamwork, perseverance, goal setting and determination among so much more. They celebrate their progress, and learn to overcome challenges with resilience.

Our teachers are passionate about nurturing each child's individuality, celebrating progress, and fostering a love of dance that lasts. League23 quickly becomes a second home, where friendships form easily and every dancer feels seen and valued. Whether your child dreams of performing on stage or simply enjoys moving to music, League23 offers a positive, inspiring space where they can grow, express themselves, and shine in their own unique way.

CLASS STYLES

League23 offers an exciting range of dance styles so every student can find the class that feels just right for them.

Each class focuses on one style only—no fusion or mixed-style classes—so dancers can really dive in, learn the proper technique, and enjoy mastering the style they love most. This way, every dancer gets the chance to grow confidently and clearly in their chosen style.

Term 1 kicks off with fun “open class” sessions, where students explore their style through stretching, technique drills, corner work, and combos. For Acro we work on our skills, tumbling, strengthening and developing confidence. It’s all about building skills and enjoying the process! Midway through Term 2, the excitement ramps up as classes begin creating their End of Year Concert routine. Each class performs one spectacular routine on stage (except for Technique, which focus on training rather than performing).

JAZZ / COMMERCIAL JAZZ

Jazz is a high-energy style full of dynamic, expressive movement, usually performed to modern, upbeat music. At League23, jazz classes include both technique and performance elements, helping dancers build strong foundations in a safe yet challenging environment. Rather than focusing on only one “type” of jazz, students explore the full range of sub-styles—such as; traditional jazz, jazz funk, Broadway jazz, commercial jazz, and technical jazz—so they can grow into versatile, well-rounded performers.

Classes include a warm-up, stretch, corner technique (leaps, turns, kicks), and a combination that brings the skills of the lesson together.

ACRO / ACROBATIC ARTS

Acro is a dynamic style that blends dance with gymnastic-inspired skills, teaching dancers how to move with strength, control, and confidence. Classes focus on developing safe and effective technique, starting with foundations such as bridges, handstands, and cartwheels, and progressing to more advanced movements like walkovers, aerials, and handsprings.

At League23, we place a strong emphasis on correct progressions to ensure every dancer trains safely while building flexibility, power, and body awareness. Acro helps dancers improve balance, coordination, and spatial awareness, and also enhances their performance quality in other dance styles.

In 2026, Acro classes will be grouped by age, ability, and demonstrated skills to ensure each dancer trains at a level that suits them best. This structure allows students to progress at their own pace, gain confidence, and master new tricks throughout the year. Dancers can move up levels as they meet the required skills listed in the timetable.

TAP

Tap is an exciting and rhythmic dance style where dancers become musicians with their feet. Using tap shoes to create sound, students learn how to control the ankle, heel, and toe to produce a wide variety of tones, accents, and patterns. Tap develops sharp musicality, timing, coordination, and quick footwork, making it a fantastic style for building precision and rhythm.

At League23, tap dancers explore everything from classic tap technique to more modern, upbeat styles. Classes focus on clarity of sound, speed, articulation, and combining steps into fun, energetic combinations. As students progress, they learn how to layer rhythms, syncopate beats, and confidently perform both choreographed routines and improvisational tap work.

Tap is a wonderful style for building confidence and creativity, and it often becomes a favourite for students who love music, rhythm, and making noise in the best possible way!

HIP HOP

Hip Hop is a high-energy, expressive style that encourages dancers to let loose, move with confidence, and embrace their individuality. Rooted in street-style movement, Hip Hop includes popping, locking, grooves, footwork, isolations, freestyle elements, and character-driven performance.

At League23, Hip Hop classes focus on musicality, rhythm, body control, and attitude, while also creating a fun and supportive environment where dancers can build confidence and explore their own unique style. Students learn upbeat combinations, foundational steps, and age-appropriate choreography inspired by commercial dance, street culture, and today's music.

Hip Hop is the perfect class for students who love to move, enjoy powerful beats, and want to develop strong stage presence. Whether you're brand new or returning to Hip Hop, this class is all about expression, fun, and feeling good through movement.

LYRICAL / MODERN EXPRESSIVE

Lyrical blends the technique of ballet with the freedom and flow of jazz, contemporary, and modern dance. It is expressive, emotional, and focuses on storytelling through movement. Dancers learn to connect with the music while developing control, fluidity, and performance quality. This style sits between jazz and contemporary and encourages dancers to explore nuance, softness, and dynamic contrast.

CLASSICAL BALLET

Classical Ballet is the foundation of all dance styles and plays a vital role in developing strong, technically sound dancers. Ballet builds posture, strength, flexibility, balance, musicality, and body awareness—skills that support and enhance every other style of dance. Through structured exercises at the barre, centre work, and travelling combinations, dancers develop discipline, coordination, grace, and confidence. At League23, our Ballet classes focus on correct technique, safe training practices, and building strong fundamentals that carry across all genres. Students learn the language of ballet, strengthen their core muscles, improve turnout and alignment, and develop the artistry needed to perform with control and expression. Ballet is a compulsory class for all competition team dancers and provides an essential base for mastering leaps, turns, extensions, and overall performance quality.

CONTEMPORARY

Contemporary dance uses expressive, interpretive movement to tell stories and explore ideas. Drawing from ballet and lyrical, contemporary encourages creativity, grounded movement, and freedom of expression. Most age groups may have combined Lyrical /Contemporary classes due to their similarities. In these classes, dancers alternate their focus depending on the lesson.

COMPETITION TEAMS

League23 Competition Teams give dancers the exciting opportunity to take their skills to the next level, perform at Eisteddfods, competitions, special events, and be part of a close-knit, fun-loving dance family. These classes focus on advanced technique, performance quality, teamwork, and building confidence on stage.

Students wishing to join a Competition Team can request to do so, and placement is confirmed with teacher approval to ensure each dancer is ready for the commitment and challenges of being a troupe member.

Joining a Competition Team is about dedication, joy, and celebrating achievement together, on stage and beyond.

We are so proud of our competition teams and have been recognised by many competitions for their outstanding work. We have such committed and hard working dancers that attend competitions in our local area and statewide.

PRIVATE LESSONS

Private lessons give dancers one-on-one time with a teacher to focus on their individual growth and performance skills. These lessons are tailored to a dancer's ability, dedication, and potential, allowing for personalised guidance and attention.

At League23, private lessons are primarily used for competition preparation, including solos, duos, and trios. Students work closely with their teacher to perfect choreography, refine technique, and build confidence for performance. This focused environment allows dancers to make rapid progress, explore challenging movements safely, and bring their best to the stage.

Private lessons are by invitation only, selected by Miss Dani, and are reserved for competition team members.

TECHNIQUE CLASSES / STRETCH

Technique classes are designed to strengthen the foundation of every dancer's training. These classes focus on improving flexibility, strength, alignment, balance, and overall body awareness. Through a combination of stretching, conditioning, and technical exercises, students develop the control, stability, and endurance needed for all dance styles.

At League23, Technique classes help dancers refine their posture, enhance their core strength, and improve coordination, leaps, turns, and extensions. Classes also work on joint mobility, fluidity of movement, and graceful execution, giving students the tools to move safely and confidently both in class and on stage.

While especially beneficial for competition team members, all students are welcome to attend. These classes provide a supportive environment to challenge yourself, progress at your own pace, and build the skills that make every style of dance stronger.

LEAGUE23 FINLEY PROGRAM

INTRODUCTION & MEET THE TEACHER

This year, we are excited to introduce a brand-new Finley program designed especially for the Petites and Minis (5–8 Year olds) of the local community. Our goal is to give young dancers the opportunity to come along, have fun, build confidence, and experience the joy of dance in a supportive environment. As this program begins its first year, we will be trialling some of our most popular styles: Jazz, Lyrical, and Hip Hop, to give students a taste of the variety and creativity dance has to offer. We can't wait to welcome Finley's youngest movers into our dance family and help them discover new skills, friendships, and a love for performing.

The Finley program will be taught by Hailey McLean, a new teacher to our team who is passionate about the arts and the incredible benefits they can bring to young people. Hailey believes that dance is not just about learning steps—it's a way for children to express themselves, build confidence, develop creativity, and connect with others. She is dedicated to creating a fun, welcoming, and inspiring environment where every dancer feels supported and encouraged to explore their abilities. With her energy, enthusiasm, and love for teaching, Hailey is excited to share her knowledge, guide students through new skills, and help each child discover the joy and freedom that dance brings. Having trained as a student teacher in 2025, participated in dance classes at League23 from 2019 and currently studying a Bachelor of Teaching Studies at Charles Sturt University, Hailey is thrilled at the opportunity to step into her first role as lead teacher, bringing fresh ideas, a strong understanding of child development, and a genuine passion for nurturing young dancers in the Finley community.

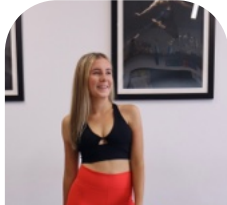

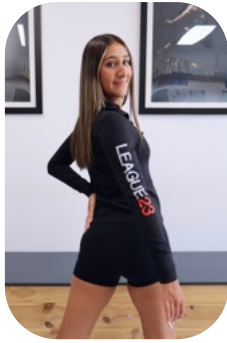

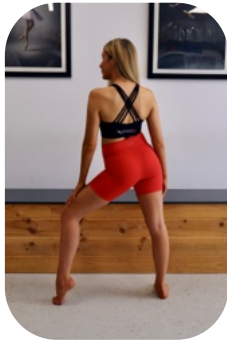

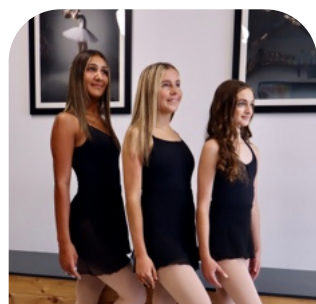

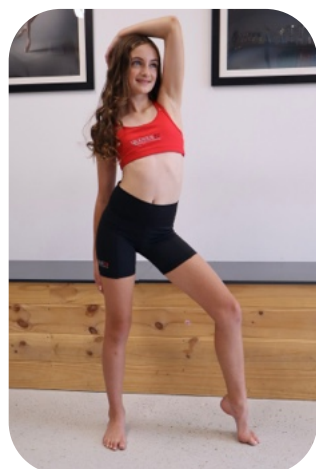

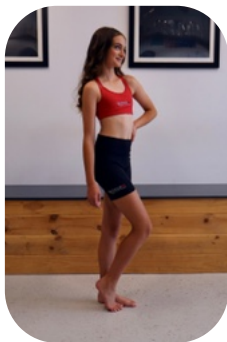

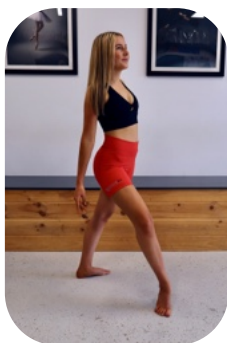

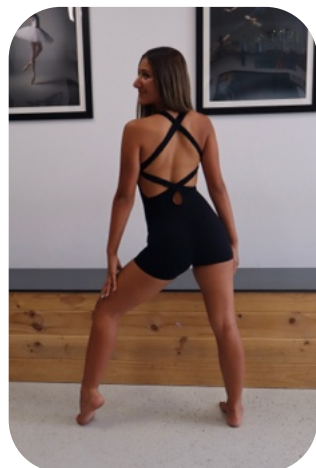

Classes will follow the NSW School Term with a prospective Term 1 beginning Monday 1st February. Students enrolling to our Finley program will not be required to participate in the End of Year Concert.

LOCATION

Classes will be held on Monday afternoons at Finley School of Arts Hall.

Enquiries can be sent to : LEAGUE23PAC@GMAIL.COM

We encourage families to reach out with any questions or expressions of interest. By hearing from you, we can tailor a wonderful timetable that best supports the needs, interests, and ages of the young dancers in our community.

UNIFORM REQUIREMENTS

At League23, uniforms are compulsory as they create a strong sense of team, equality, and pride within our dance family. We offer a wide range of styles and designs so dancers can mix and match pieces they love while still representing the our school.

Our uniform is grouped into three categories:

- Commercial – Red & Black range
- Tiny Tots – Pink, Purple, or Red
- Ballet – A refreshed line of Ballet leotards introduced this year (Available in Burgundy & Black).

Most items come embellished with our League23 logo (either printed or embroidered) for a polished, professional finish. We are proud to offer an inclusive uniform range designed to ensure every child feels comfortable, confident, and supported in what they wear – whether that is a two piece option or a T'Shirt / Singlet.

Our fully stocked dance shop is conveniently located next door, making it easy to purchase everything you need on-site, all year round. We offer uniforms, shoes, tights, dance bags, and more— with the option to browse and order in store.

Dance shoes are required for class (except Acro). We supply Jazz shoes or Half Soles (also used for Lyrical & Contemporary), along with ballet shoes, tap shoes, chorus heels, and ballroom heels.

HOW TO ORDER

Before Term 1 begins, we will be holding a Uniform Day in-store for families to come in, try on sizes, and place their orders. This will take place on Saturday 24th January.

During the school term, the uniform shop is open most days, so you're welcome to pop in at any time if you need to purchase or replace an item.

UNIFORM POLICY

- Uniforms are compulsory and must be ordered within two weeks of enrolment.
- League Competition Jackets are required for all competition team students and have a 6-8 week turnaround.
- Returns are not available on purchased items; however, exchanges may be possible depending on the product. Families are welcome to on-sell items that their children have outgrown.
- If an item is out of stock, please allow 4-6 weeks for restocking, plus additional time for embroidery.
- All uniform orders will be available for collection through the dance shop.
- All uniforms must be paid for in full at the time of purchase. No credit can be given.

LEAGUE23 COMPETITION TEAMS

Being part of a League23 Competition Team is an exciting adventure! Our dancers get the chance to perform amazing routines, travel to competitions, and be part of a close-knit, fun-loving dance family. Miss Dani carefully selects dancers based on skill, dedication, and improvement, ensuring each team is balanced and every dancer has the opportunity to shine.

If a dancer isn't selected straight away, it doesn't mean they won't be in the future. New students are encouraged to let Miss Dani & Miss Tanya know; they may join our Competition Elite classes to prepare for troupe and be considered for the next opportunity.

Teams are organised by age and ability, and some dancers may even dance up an age group. This year, we're thrilled to introduce new troupes in some new styles, giving dancers even more chances to perform, grow, and have fun.

Competition Team members are committed to weekly classes, rehearsals, dress rehearsals, and competitions (including regional and statewide events). While participation requires dedication, it's incredibly rewarding. Our dancers build friendships, develop confidence, and have been awarded and accomplished at many competitions—experiencing the joy of performing and celebrating their achievements together!

2026 TEAMS

In 2026 we will have the following Competition Teams:

8/U COMPETITION TEAM, 10/U COMPETITION TEAM, 12/U COMPETITION TEAM, 14/U COMPETITION TEAM, 16/U COMPETITION TEAM & SENIOR COMPETITION TEAM. Team members are placed in troupe according to their age - keeping in mind that dancers must be under the troupe age as of January 1st 2026.

We will also have separate Competition Team classes for the following classes:

12/U HIP HOP TROUPE, 14/U HIP HOP TROUPE, SENIOR HIP HOP TROUPE and the brand new opportunity to be in the OPEN TAP TROUPE which is a new, exciting addition for 2026!

Please Note:

- Some routines from 2025 will remain the same and either incorporate new members or have the same members as last year. We will let you know this at the start of the year.
- The 16/u Competition Team will rehearse their 2025 routines in the Senior Troupe class.
- To participate in a Hip Hop Troupe or the Tap Troupe, students must attend the regular class in that style.

COMPETITION TEAM FEES & DISCOUNT BUNDLES

Those in competition team have a much heavier class load than recreational students. We offer 'competition team bundles' to ease the cost of being involved for families wishing to take part. Please contact us for information on the Competition Team Bundle Discount.

BASIC CLASS BUNDLE : Includes the weekly cost of the base amount of classes needed to be in troupe.

UNLIMITED CLASS BUNDLE : Includes a highly reduced weekly cost of all classes available on the timetable in your child's age group. Perfect for a student who loves dance and wishes to take as many classes as possible!

COMPETITION TEAM REQUIRED CLASSES

There are set **required classes** that dancers must attend to be eligible to join troupe. For most age groups, required classes only fall on two days a week. If a dancer wishes to enrol in extra classes (Hip Hop, Tap or additional classes of their favourite genres) that is absolutely fine! We can work that into your class load and Bundle. Remember that when you are picking your classes; **if you are on the Unlimited Bundle and you love a certain style of dance, you can attend all of the classes for the same price.**

From the list of required classes each dancer must attend one of these classes a week. Many of these classes are offered more than once and can be selected to best fit your schedule.

HIP HOP TROUPES & TAP TROUPE

If you are a Competition Team member would like to be a part of one of our Hip Hop Troupes you will be required to take the Hip Hop regular class in your age group as well. Hip Hop is very popular and we have classes all through the week, especially for our younger age groups.

For the Tap Troupe, Miss Dani will let you know if she thinks you will be a good fit to join as it is a large Open age group. Students will only be selected if they have taken tap in 2025 at the latest. Students from Pre-Teen through to Seniors will be eligible to be in the class.

2026 TIMETABLE

Age groups are based off your child's age as of **January 1st 2026**. We have included age group breakdowns for recreational classes as well as a full timetable below (Competition team students please refer to the full timetable (Troupe/Comp Only Technique classes are not included in the age group breakdown)).

Tiny Tot classes are divided into separate classes for both 3 & 4 year olds. Tiny Tot students are encouraged to go into the Petite age group when they start attending Primary School.

TINY TOTS	3 - 5 YEARS
PETITE	5 - 6 YEARS
MINI	7 - 8 YEARS
JUNIOR	9 - 10 YEARS
PRE-TEEN	11 - 12 YEARS
TEEN	13 - 15 YEARS
SENIOR	16 YEARS PLUS

ACRO LEVELS

Acro classes are grouped according to skill level to ensure that every student is in a class that best suits their abilities. This allows each dancer to develop safely, build confidence, and progress at a pace tailored to them. Age groups and skill requirements are outlined below. If you're unsure, it's always best to start at the lower level—Miss Dani can move students up once they are ready. Students may also change levels throughout the year as they master the skills required for the next stage, ensuring continual growth and development in a supportive environment. A dancer may be in a different level to work on some of their core skills : they may be able to Back Handspring but struggle to do a Walkover - these students will also be given opportunities in their level to practice their harder skills in class.

BEGINNER LEVELS:

No required skills needed, students work on their introductory skills working towards their Handstand to Bridge, Standing to Bridge and Kickovers.

INTERMEDIATE LEVELS:

Must be able to (or close to) Handstand to Bridge, Standing to Bridge and Kickovers. Working towards aerial work, walkovers and introductory Handsprings.

ADVANCED LEVELS:

Must be able to Side Aerial, Front & Back Walkovers, Knees to Bridge and Arabians. Working towards or can already: Back Handspring, Back Tuck & Front Aerial.

AVAILABLE CLASSES

Some classes are combined with older age groups (Teen & Senior) to allow us to offer a wider range of genres. These classes are thoughtfully structured to meet the needs of all students involved, and our teachers are dedicated to creating an inclusive, supportive environment where every dancer can learn, grow, and feel confident.

If you love a particular style and would like to take an additional class, please let us know. We can place you in another suitable age group, alongside your regular class, so you can enjoy more of what you love.

LEAGUE23 FINLEY

AVAILABLE FOR AGES 5-8 YEARS

**Age as of January 1st 2026*

STYLES OF DANCE

JAZZ

Jazz at League23 is a high-energy, expressive style where dancers build strong skills while moving to modern, upbeat music. Students explore a mix of jazz styles and learn leaps, turns, kicks, and combinations that make every class exciting and help them grow into confident, versatile performers.

LYRICAL

Lyrical combines ballet technique with the freedom and expression of jazz and contemporary styles, focusing on storytelling through movement. Dancers learn to connect with the music while developing control, fluidity, and performance quality.

FEES & ADDITIONAL COSTS

TERM FEES

At League23, class fees are determined by the length of each class. Term fee invoices are issued prior to the start of term, and payment is required before classes commence in order to secure your enrolment. Invoices are sent via email and are usually sent out prior to term.

Competition Team students are required to pay a 20% deposit of their term fees before the term begins. The remaining balance may be paid throughout the term and must be finalised by Week 8 each term.

Upon enrolment, a \$38.50 enrolment fee per child is payable. This fee contributes to the maintenance of our administration systems and programs, as well as insurance costs to support the safety of all students.

Fees are charged on a term-by-term basis. By enrolling, parents/guardians agree to commit to the full term and therefore are responsible for the term's payment in full. We do not offer week-by-week attendance or casual classes. If a student withdraws partway through a term, the full term fee is still payable as their place in the class has been reserved.

Payments can be made via cash, EFTPOS (available at the League23 office), or direct bank transfer.

LEAGUE23 BANK DETAILS:

BSB: 633-000

Account: 164 715 187

For information regarding class prices, Competition Team fees, or bundle discounts, please contact the office via email prior to enrolment or through Band.

CONCERT FEES

League23 does not charge any compulsory additional fees to participate in our annual concert. The only required costs are:

- Your child's costume(s) for each class they participate in
- A ticket to attend the performance

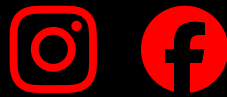

Each costume includes the 1 costume per class, a costume bag, copy of the Concert via Download and a League23 Concert T-Shirt (worn in the finale and used as uniform for the following year). Costumes come packed and labelled, ready for concert day.

Costume invoices will be issued at the beginning of Term 3. A costume deposit for each class will already be included in your Term 2 and Term 3 invoices. Final costume payments are due by costume pickup day (typically late November).

If you would prefer to make payments towards your costumes throughout the year, we can provide a quarterly estimate to help reduce your remaining balance at concert time.

At League23, we do not hire out costumes. Costumes are purchased for each student and are yours to keep after the concert. Many families choose to keep these as keepsakes, while others opt to resell them online (such as through Facebook groups).
