

BIZ-CONNECTIONS, LLC

“Accelerating Growth Through Our Relationships”

Overview:

Founded officially in 2009, Biz-Connections is a global business development and trade facilitation firm specializing in international trade, transaction oversight, and strategic growth for businesses across industries. We represent and connect pre-qualified buyers, sellers, refineries and investors in high-value transactions in commodities such as fuels, bullion, Bitcoin, and raw minerals. Our mission is to create wealth for our clients by leveraging strategic relationships, with proven execution and industry insight.

What We Do:

- Business Development & Oversight: Assisting startups and scaling businesses with strategic planning, leadership oversight, and growth funding.
- Transaction Facilitation: Managing the complexities of global trade, including documentation, financial verification, and logistics coordination.
- Commodity Trading: Sourcing and facilitating bulk transactions in commodities like Diesel, EN590, Jet A-1, LNG, LPG, ICUMSA 45, gold bullion and Bitcoin.
- Bulk Shipping: Coordinating end-to-end logistics, including CPA agreements, paymaster services, and Q&Q inspections through trusted partners like Intertek/SGS.
- Mining & Exploration: Supporting mining operations with geological assessments, remediation services, and funding solutions.

Why Choose Us?

- Decades of combined expertise across finance, logistics, and global trade.
- Proven track record of successful high-value transactions, startup growth, and business turnarounds.
- Vetted global network of buyers, sellers, refineries and their representatives, and financial institutions.
- Commitment to integrity, transparency, and measurable ROI for every client.

Our Mission:

We strive to make international trade simpler, safer, and more profitable by being your trusted intermediary, counsel managing logistical, regulatory, and funding challenges so you can focus on growth.
