

Registration and Enrollment Overview

STOP!

Do not proceed until you have completed the pre-class homework on Workday and have a PDF of your Certificate of Completion ready to send to ATS.

1

Step 1

Fill out the ATS MAO Registration form and send it to mao@abilityts.com along with your Workday Certificate of Completion.

2

Step 2

Pay the ATS MAO Registration processing fee.

NOTE! Your registration will not be processed until the invoice is paid.

NOTE! You will only be allowed two chances per fee to submit your transcript and registration. You will need to pay subsequent processing fees for subsequent registration attempts.

3

Step 3

If your Workday Certificate of Completion and registration are complete and your processing fee has been paid, you will be sent an invoice to pay the full cost of the MAO class you selected on your registration form.

NOTE! You will not be enrolled in any class until this invoice is paid.

4

Step 4

You will be sent class log in information and other documents that must be read before class begins.

5

Step 5

Take the class and all tests. When you have successfully completed the entire MAO class, you will be sent a certificate of completion.

Enrollment Process

Please refer to the ATS MAO website for most current enrollment process information. You are expected to move through the steps sequentially and with attention to detail. Non-sequential movement through steps, skipping of steps, or not fully completing a step can result in your registration being denied, being removed from the waitlist or removed from class enrollment.

Registration Requirements

- Each registrant must have their own individual email for registration and communication.
 - The email used on the registration will be the only email used for all correspondence and billing.
 - Registrants must respond to class availability emails, invoice emails, and requests for clarification within **five business days** or they will be considered inactive and unresponsive and the registration is cancelled.
 - If a registration is cancelled due to registrant inactivity or unresponsiveness, and the registrant later wishes to reengage, the registrant would be considered a new registrant, and the registration processing fee would need to be paid again.
 - There are no refunds for registration processing fees.
-

Registration Processing Fee

Registration Processing Fees are due prior to enrollment and will be used to process the pre-class work and complete internal documentation. Registration Processing Fees are non-refundable. Only two attempts to resolve incomplete or inaccurate pre-class work are allowed per registration fee, subsequent errors or omissions will result in a denial and loss of fee.

- \$150.00 Registration Processing Fee

Payment of Registration Processing Fees must be done online at abilityts.com on the MAO page. ATS uses PayPal to process its fees through their website. You will need to have a debit or credit card or another confirmed form of payment on file with PayPal to pay this fee. Checks and cash are NOT accepted.

MAO Class Enrollment Fee

its fees. The invoice will be emailed to you. You must pay this invoice, or you will not be enrolled in the class. Checks and cash are NOT accepted.

Other fees

Cancelations less than 60 days prior to class start date cannot be refunded unless for a qualifying emergency or death.

- Only when both classes are in the same quarter. Quarters run from January-March, April-June, July-September, October-December.
- Only if fully registered, enrolled and all fees are paid.
- Only once per quarter. Subsequent requests to transfer for non-qualifying refund reasons will result in forfeiture of registration and class enrollment fees.

- For refundable fees due to death of participant or immediate family member.
- For refundable fees due to cancelation 60 days or more prior to class start date.

- For lack of access to emails, Workday account, or Teams.
- For missed sessions.
- For sessions failed due to not meeting attendance or participation requirements.

- For failure to choose a re-take session or class during the current or upcoming quarter when an opening is available.
- For any complications, delays or issues with ODDS licensing or certification; ODDS is not a part of ATS. Delivery of the MAO certification is a stand-alone service.

Refund application process

- Documentation Requirement- Regardless of the reason selected, participants or their next of kin are required to submit documentation verifying the medical emergency or death. This documentation must be included with the refund request form.
- Medical Refund Proration- All refunds will be prorated, and participants may request a refund of only upcoming sessions that have not been started. Each session will be calculated at \$100.00 USD value for proration purposes. The Registration Processing Fee is not refundable.

- Approved requests will result in a refund amount allowed by policy regardless of requested amount. An acceptance notification will be provided by ATS.

Refund Denials

- Denied requests will result in no action outside a denial notification from ATS.
 - Disputes of denials and supporting documentation must be sent to danya@abilityts.com within 7 calendar days of the denial notification being sent.
 - ATS will look at the denial dispute email and the supporting documentation and see if policy was followed by both ATS and individual disputing the denial and if the denial reason/amount was according to policy. Resolutions will be finalized within 7 days of the denial dispute and supporting documentation being received.
 - Individuals will be notified of the resolution by email.
 - All denial dispute resolutions are final and there is no further allowable denial dispute resolution after the initial denial dispute resolution.
-

Waitlist Use

Waitlists will be used to track individuals who have successfully moved through registration, have paid the class enrollment fee, but are waiting on class availability. You will be notified if you are put on a waitlist.

Removal from Waitlist

If removed from the waitlist, an individual must start the registration and enrollment process over again including paying any applicable fees.

An individual can be removed from the waitlist for the following reasons:

- A class is not chosen in the current quarter when an opening is available. Quarters run from January-March, April-June, July-September, October-December.
