

Dusters RC Club Meeting Minutes

01/28/19

Meeting called to order by Chris at 7pm. 15 members were present.

Field Report

Bob sprayed the field for dandelions today. Bob is also working on controlling the moles in the runway by killing the dandelions (their food) and setting traps. Bob also wanted to remind members to lock to porta potty at the end of the day and not to place trash in the water barrels near the cover.

Treasurer report

The lease for the year has been paid. We have \$4200.00 in the bank and have collected \$2200.00 in 2019 dues so far this year. We have about 25 paid members so far this year. Bill will call at the end of February to see if unpaid members want to still join.

Old Business

Steve reviewed the website status. We have two websites currently. The site create last April by Michael Durant is still online. Steve is going to investigate with Michael about using his site for the club and discontinue using Steve's GoDaddy site.

New Business

Jim Gibson proposed holding glider tow events at our field. He is planning 7 one day events and one 3 day event. Normal flying will still be available on the one day events. The 3 day event will close the field for the glider event. These events will add funds to our club bank account. We expect about \$500.00. The membership voted and approved providing our field for these events.
