## Introducing the Vitality Booth Plus™ Salt Therapy & Red Light Therapy

Introducing the Vitality Booth Plus, with extra large red light panels. The Vitality Booth is the only product that combines both Salt Therapy and Red Light Therapy – all in one gorgeous unit! The synergy of the two modalities, when used simultaneously, is tremendous and backed by research and our pending-patent!

Vitality Booth Plus also features blue light UV sanitation system and Bluetooth Audio.

We are very pleased to be working with one of the top RedLight manufacturers – with their integrated red light panels that are approved as Class II medical devices by the F.D.A.

### Halotherapy - HaloGX™ Halogenerator

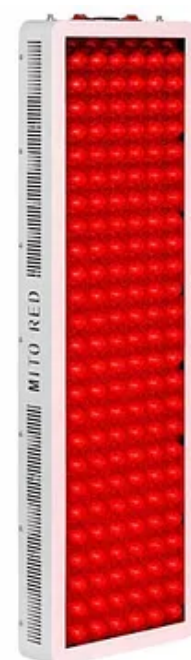

This revolutionary new halogenerator delivers salt therapy with the highest efficacy by creating the smallest sized salt particles. The Vitality Booth™ has been optimized to include the Halotherapy Solutions HaloGX™ halogenerator.

### Bluetooth Audio System

Built in bluetooth Audio Sound System with KSARA Guided Meditation. Media device adapter included. Speakers mounted into ceiling.

### Red Light Therapy - Red Light Panels

The powerful devices provide scientifically validated wavelengths of Deep Red (630–660 nm) and Near Infrared (830–850 nm) light from above, front and the sides. Red light is absorbed by the skin, boosting collagen production & aiding skin conditions. Near Infrared penetrates deeper aiding muscle recovery, cellular renewal and joint pain. F.D.A. approved as Class II medical devices.

Lens beam angle 60 degrees
