

Deceased Dog Policy

During your pets stay, all efforts will be made to prevent your dog from passing away while in our care. Dogs will be supervised continuously and first aid will be provided if necessary.

In the awful and unlikely event that your dog passes away during the home boarding stay the following procedure will be followed:

- The dog will be transported and stored at the nominated vets practice (Either my usual practice or your own)
- The vet will be asked to determine the cause of death
- The owner and/or emergency contact will be contacted at the earliest convenience to inform of the death
- The local authority will be informed (Rhondda Cynon Taff)
- The dog will be stored at the vets practice until owner and/or emergency contact is able to collect them.
- The incident form will be filled in by myself
