

Narcan Leave Behind Program

Whatcom County Emergency Medical Services is proud to continue the *Narcan Leave Behind Program*. This program provides Narcan Kits to those At-Risk individuals, an involved bystander, or family that are At-Risk of opioid related overdose. Narcan is a medication that can save lives by reversing the effects of an opioid overdose.

Legal: If you are worried about being sued or arrested, Washington State has laws to protect you.

- [RCW 4.24.300](#) Immunity from liability for certain types of medical care (general public)
- [RCW 69.41.095](#) "Naloxone Law" – distribution, possession, and administration of naloxone among laypersons, first responder/law enforcement immunity
- [RCW 69.50.315](#) "Good Samaritan Overdose Law" – immunity from drug possession prosecution in drug-related overdoses

Training: Whatcom County EMS is available to train individuals, organizations or provide training resources. Contact Steven Cohen, EMS Training Specialist, at 360-820-6157 or scohen@co.whatcom.wa.us.
