This puppy is a ( M / F ) American Bully with the following colors and markings:  
\_\_\_\_\_

This deposit will hold the puppy until it has been weaned and is ready for pick-up at 8 weeks old or possibly 9 weeks if ears were cropped and puppy needed extra time for healing . The remainder of \$\_\_\_\_\_ payment is expected at time of pick-up.

This deposit is non-refundable in that the Breeder is not required to return it. Breeder may choose to return the deposit if they feel that circumstances merit a return. Because of age of the puppies and their developing personalities, it is not possible to guarantee any specific qualities of the dog when it is an adult. If there is not a puppy available with the suspected desired qualities agreed upon at time of deposit, the Breeder will return the deposit before the final sale would otherwise be made and the remainder of the payment received.

If the buyer has already made the deposit and later decides they do not want the puppy for any reason, the Breeder is not required to return the deposit. If however, the Breeder has another buyer in line that is interested in said puppy, resulting in a sale of the puppy within a reasonable amount of time from when the first buyer expresses their decision to decline the final sale, the Breeder will still return the deposit.

Overall, the Breeder is not required to return any deposit, but will be understanding in the circumstances and will try to work with a Buyer wanting a deposit returned.
