

Vendor Application Process and Guidelines

The Cohasset Farmers Market is a thriving community market positioned on the historical Common in Cohasset, Mass. We welcome food vendors, food trucks, non-food vendors and community-supporting organizations. While our focus is on produce & food items, we welcome applications from local artisans, and community organizations looking to spread awareness of a wellness, charitable or socially engaging cause.

The number of vendor spaces is limited, and selection is based on the integrity and appropriateness of the product and vendor credibility. Because of the nature of the Farmers Market, a ratio of Food to non-food vendors is maintained.

To apply, please email michele@cohassetfarmersmarket.net with the following information:

- Your name, address, telephone and email address.
- Your product and the provenance of the ingredients or finished product.

- Your start date.

All vendors, and their products, are evaluated by the Cohasset Farmers Market Board of Directors for appropriateness and acceptability.
