

Dear Safety Professional/Business Owner:

The Oshkosh Safety Council (OSC) provides a forum for the exchange of safety, health and environmental issues that are of concern to all area businesses, both large and small. The Council provides safety information among members and provides outside input relating to specific topics throughout the year. As a result, safety is promoted in all facets of the community including business and homes.

Join the Council, beginning Oct 14, 2025- May 12, 2026 attend the programs and you will learn the basics of some of the regulations you may be required to comply with. Joining the council also allows you to network with Safety and Health professionals who can share experiences within the safety industry. The OSC Board alone conservatively has over 75 years of collective experience!

Safety Topics: May include any of the topics below in addition we will also have 4 opportunities to open forum for you, our members.

<ul style="list-style-type: none">• Hazardous Material Response/EPCRA• OSHA Updates, including Recordkeeping Responsibilities and What to do if OSHA shows up• Injury Management and Worker Compensation• Safety Responsibilities with Contractors and Temp Workers	<ul style="list-style-type: none">• Fall Protection Requirements• Mental Health in the Workplace - What to look for and how to help?• Safety Systems• Selling Safety: How to sell change with authority.• Open Forum to discuss challenges and solutions within your organization or need for learning.
