

Reconciliation Action Plan

ELDER STREET EARLY CHILDHOOD CENTRE

Our Elder Street Early Childhood Centre's vision for reconciliation is to create a safe place of belonging. Our community is committed to the journey of cultural responsiveness; where all participants engage with the process of learning, unlearning and relearning, decolonising and reflection as part of our continuum of professional learning. Our aim is to build knowledge and understanding based on the true histories of this nation We will strive to build positive partnerships, and strong connections with Aboriginal and Torres Strait Islander families and community members.

In partnership with Aboriginal and Torres Strait Islander families and community members, we are dedicated to educating our younger generation of children on the importance of acknowledging Country, respectfully connecting with people and nurturing relationships, embracing First Nations cultures, and valuing First Languages and the contributions of all First Nations peoples to a shared national identity.

Our vision is to be active and involved citizens of the future; to learn, to reflect, and to connect with First Nations peoples, the Traditional Custodians of this Land. Our vision for reconciliation is to be responsive and reflective in our ongoing reconciliation journey.
