

Our Mission:

24/7 Home Health Services is dedicated to providing exceptional, cost effective, family focused care for the medically complex patient. Our goal is to meet the patient's medical needs in the nurturing environment of their home, minimize the impact of the patient's condition on the family while respecting the role of the family in the care of the patient.

Our Goals:

- To ensure that all patients are provided with quality, comprehensive health care services through a coordinated Plan of Care.
- To provide continuity of health care to facilitate uninterrupted service within the health care system.
- To promote early recovery or maximum rehabilitation in the patient's home environment.
- To provide effective channels of communication with the patient, physician and other organizations and providers within the health care community.
- To foster professional and personal satisfaction of all employees by maintaining a positive environment that stimulates pride and professional growth.
- To increase the awareness of health related issues to members of the community.
- To not discriminate in the provision of services on the basis of race, color, national origin, disability or age.

24/7 Home Health Services is nurse owned and nurse operated with over 25 years of experience in the medical field. Our highly qualified and finely screened health care professionals are committed to deliver the best of care with the highest level of standards available.
