Dear Guidance Counselor:

Enclosed with this letter is the application for the CCR Memorial Scholarship. This is an annual scholarship that has been offered for many years and is available to graduating seniors who have had experience in shooting sports. Preference will be given, but not limited to Camp Clarke Raiders members. Two scholarships in the amount of (1) \$1000.00 and (1) \$500.00 will be awarded to graduating students.

This scholarship is in memory of active members of the Camp Clarke Raiders Muzzle Loading Club up until the time of their individual passing. Knowing that the past members wanted shooting education and the sport of shooting to continue is why the Camp Clarke Raiders, Inc., have started a scholarship fund in their names.

Shooting has many components including responsibility, safety, purpose and leisure. Muzzle loader experience is appreciated but not a requirement.

Please have applicants return application to organics8123@yahoo.com or Camp Clarke Raiders, Inc., c/o Scholarship Committee, P.O. Box 8, Bridgeport, NE 69336. No applications will be accepted after April 1st, 2026.

If there are any questions, please contact Marva Holt at organics8123@yahoo.com or 308-249-5387.

Thank you,

Marva Holt
