

# Cat-n-Bird Winery Wedding Guide

*cat-n-bird winery*  
*Chelsea, AL*

Cat-n-Bird is a boutique family owned winery located just off of Hwy 280 in Chelsea, AL and is Birmingham's closest winery.

CnB is somewhat unique as they focus on importing grapes and juice from vineyards from around the globe, from CA to Italy, but no muscadine here. Considered a "Community Driven Winery" they have the luxury of importing unique varietals based on customer input vs. having their own vineyard on premise.

Every bottle is hand made with the intention of being the best wine produced in Alabama. We welcome you to experience Cat-n-Bird firsthand.
