PuppyLove: For pre-adolescent pups 8-18 weeks old that have had at least one of the puppy inoculation series. There is absolutely no reason to wait for the entire series of shots to start your class, and many important social-development reasons to start with us right away. We follow the vaccination protocol of major veterinary university puppy programs. The entire family, including children, is encouraged to participate in class & home training sessions. A child in class must remain with an adult household member at all times.

Basic Manners: For pups older than 18 weeks, on up through adult dogs. The entire family may attend but an adult must hold the leash at all times. Children must remain with household members at all times.

PuppyLove or **Basic Manners** \$185 combined orientation (with dog) and series price in Osteen (10 weeks) and DeLand (7 weeks).

For the best training for you, your dog, and other class members, briefly state what you hope to accomplish such as fixing jumping up, stealing, pulling on leash, chewing and coming when called; or list special problems that you would like to address beyond typical dog training issues. The vast majority of dogs that we see are very friendly, but sometimes we run across nervous and even sometimes just pushy dogs that may need special handling.

Please include details on any biting incidents or other signs of aggression or fearfulness on a separate sheet of paper if necessary. Dogs with serious social issues will be handled in private sessions or special groups at Best Paw Forward Inc.

Class postponement: Our very-rare emergency class cancellation announcements are posted on the web page, voicemail & via Facebook. Rainy, cold & hot weather will not affect indoor classes & we have provisions in place to work around those conditions for sessions in both Osteen & DeLand.

Makeup class: Missed class dates can be covered with a private make up class at a reduced rate at our Osteen site, free group drop-ins within the month at our Osteen site, or in your home for regular in-home prices. When you register you are committing your family to a particular time slot for a progression of classes. We are able to offer a more liberal drop-in makeup class policy in our Osteen club events. Let us know at registration if you have a long-scheduled vacation or event conflict, or if an emergency arises, to get a free week added to your program.

Refund policy: For class cancellations one week or less before your first class, you will receive credit for an upcoming series, private class or workshop that begins within six months of start date of first class. There will be a \$25 fee for earlier cancellations made before the first meeting with an instructor.
