

Chapman Beach BOD Meeting
Mulvey Municipal Center
Sept. 2, 2017

Meeting immediately following Fall Member's Meeting. All Board members present.

Impromptu wrap-up of BOD summer agenda items.

FOIA - Nicole gave summation on her conversation with Mike Zubretsky to address his concerns that BOD is not operating in a respectful way, committees are formed with decisions made but BOD acts otherwise. Andy reiterated our desire for a respectful and transparent working environment.

Correspondence -

The Board also discussed a letter received from Suzanna McCauley, the Board's outside counsel from Hudson and Kilby LLC. The letter provided advice and suggestions with respect to the FOIA requests and included a copy of CGS section 1-200 to help the Board members better understand the rules regarding Meetings, Public Records or Files, and Executive Sessions.

The Board members agreed to relook at correspondence in order to comply with the latest FOIA request.

Patrice asked about hiring a professional note taker in the future. At this time the BOD feels this is not necessary.
