

## **GETTING AROUND KAUAI**

### **AIRPORT TRANSFERS/CAR RENTALS/SHUTTLE BUSES**

The Grand Hyatt Kauai does not offer shuttle bus service to/from Lihue Kauai airport. Your choices are car rental, Turo, Uber/Taxi or pre-arranged shuttle bus service.

**It is strongly recommended that you have ground transportation pre-arranged before you arrive in Kauai.**

#### **CAR RENTALS**

All car rental companies world-wide incurred significant losses in 2020 due to the Covid-19 pandemic. As a result, most companies sold off much of their fleet to avoid additional losses.

Now, fleet inventory is low and demand increasing- especially for peak periods. Low inventory and high demand mean all-time highs for car rental pricing. 1-week car rental in Hawaii can exceed \$1000.00

#### **DO I NEED A CAR RENTAL?**

That depends on your personal preferences. The Grand Hyatt has an incredible pool and saltwater lagoon, restaurants, golf, tennis, spa, fitness room and many other features. You can enjoy a week in Kauai and never leave the hotel!

#### **AVIS CAR RENTAL DISCOUNT**

We have entered into an agreement with Avis for car rental discounts
