

Healing Broken Hearts – Bereavement Conference

Child/Youth Bereavement Camp Day

Immaculata High School
140 Main Street, Ottawa ON K1S 5P4

Healing Broken Hearts is pleased to offer a full day program designed for children/youth ages 6 –17 who have experienced the death of someone close to them.

Healing Broken Hearts is for all campers. Led by trained bereavement professionals and volunteers, Healing Broken Hearts provides a unique opportunity for peer bonding between children and teens facing a similar life circumstance. This day long experience is filled with traditional, fun camp activities combined with grief education and emotional support.

Roger Neilson House is partnering with Nicki Gallo (Play Therapist) to make this an outstanding camp experience.

Who should attend

Children and youth ages 6–17 who have experienced the death of someone close to them. Since children experience grief in their own unique way, our participants may be at different stages of the grief process.

Upon registering your child/youth, a Roger Neilson House professional will contact you to review an intake form that will help our team to meet each individual campers needs and ensure appropriateness for this specialized camp prior to the day.
