### FINANCIAL POLICY

Thank you for choosing Destination Life Therapy & Wellness as your Occupational Therapy provider. We are committed to providing the best possible care for you. In order to achieve this goal, we need your assistance in understanding our payment policy. Please understand that payment of your bills is considered part of your treatment. The following is a statement of our Financial Policy. Please read and sign prior to your treatment.

Payment of services is due prior or upon completion of each treatment visit. We accept CASH, MASTERCARD, VISA, DISCOVER, or PERSONAL CHECKS. Once your complete insurance information is on file, we will be happy to submit your claims to your insurance company.

#### Private Insurance

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize, however, that your insurance is a contract between you, your employer, and the insurance company. We are not party to that contract. We must emphasize that as your provider, our relationship is with you, and not your insurance company. While the filing of insurance claims is a courtesy we extend to our patients, all charges are your responsibility from the date of services rendered.

It is our policy to call and verify benefits and eligibility to estimate your payment portion. However, there is no guarantee from the insurance company of their payment amount. We may not know the exact amount due until the claim has been processed. At this point, there may be more due on your account. In this event, we will mail you a statement, and appreciate your prompt payment.

Regarding insurance plans where we are a participating provider, we will take the contracted rate assigned by the insurance company and make the proper adjustments to your claim.

\_\_\_\_\_ INITIALS

#### Non-Covered Expenses

Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You may be responsible for payment of charges denied due to the insurance company's arbitrary determination of usual and customary rates. There may also be charges that your insurance does not cover due to limitations of your policy, or what they consider reasonable and necessary. It is your responsibility to know what the policy limitations are. Our goal is to improve your condition successfully based on what the doctor deems reasonable and necessary treatment, and not on what your policy limitations are. Therefore, unless you alert us prior to treatment, you will be financially responsible for non-covered expenses.

**Electrodes:** Upon the initial evaluation your Occupational Therapist may determine that it would be beneficial for you to receive electrical stimulation as part of your treatment plan. It is our recommendation to purchase personal electrodes at a cost of \$8 that will be kept at the clinic for your individual use. Should you choose not to purchase personal electrodes; the clinic will provide shared electrodes. (It is mandatory that you purchase personal electrodes if you have open incisions, wounds, or any infectious disease.)

- I would like to purchase personal electrodes at a cost of \$8.00
- I would like to use the clinic's shared electrodes at a cost of \$0.00

\_\_\_\_\_ INITIALS

Please be on time for your appointments so that you may be given the full benefit of your scheduled treatment. Late arrival of greater than 10 minutes may result in a shortened treatment or cancellation. It is our policy to reschedule any cancelled appointments for the same week at the time of your call. **There is a \$25 charge for a cancellation without a 24 hour notice.** Attending your scheduled appointments is crucial to successful treatment and recovery from your injury.
