## **Vision – To host events that bring our community together and showcases the talents of our local people.**

- Burnham on Sea has many talented residents and visitors. The street party is the place to showcase and celebrate our town's talent which could include – children's entertainers, local bands and solo artists and much much more....
- Just like the atmosphere of Carnival in November only in the summer and without the carts. The High Street would be closed and cafes, pubs and restaurants encouraged to offer outside catering and seating.
- Traders in the high street could participate if they want by opening their shops outside of normal hours
- Pop up stalls for crafters
- The event could run from afternoon to evening
