# The Forgotten Pandemic

## Trailer

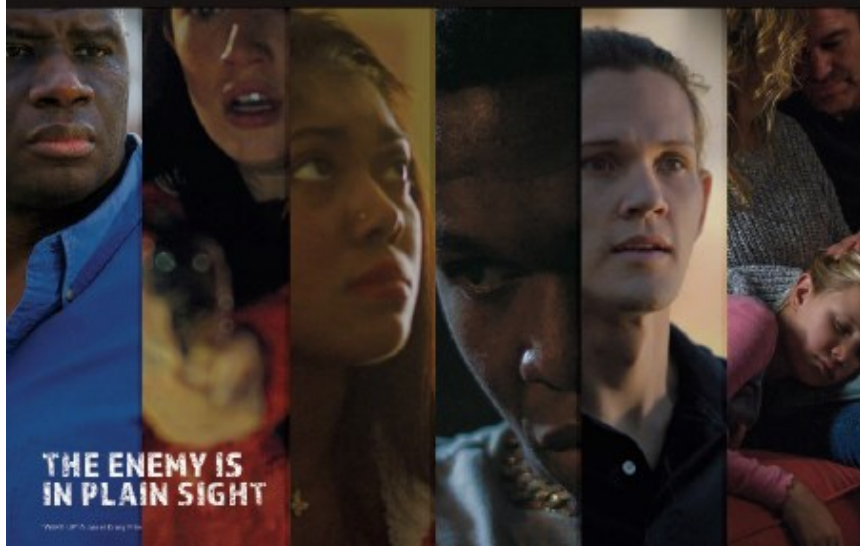

This compelling documentary sheds light on how opioid addiction has quietly become a pandemic. This film shows the darkness related to addiction and sheds light with stories of hope and recovered individuals. THE FORGOTTEN PANDEMIC is a 40 minute, short documentary featuring doctors, EMTs, pastors, counselors, family members, and leaders in recovery sharing their personal stories of freedom.

Featuring: Grammy-Winning Christian Artist Zach Williams, Mark Hall from Casting Crowns, Best-selling author Dr. Neil Anderson, Knox County Mayor and former pro-wrestler Glenn Jacobs, and the Pastor of Long Hollow Baptist Church Robby Gallaty.

The vision behind The Forgotten Pandemic is to encourage the Church that addiction is not a surprise to God. We hope to embolden and empower people and bring light to the very dark place of addiction. Our desire with this film is to eradicate bondage, shame, and fear by proclaiming the Truth — **There is absolute freedom from the chains of addiction!**

# Wake Up Trailer

We are excited to share info with you regarding our film "WAKE UP"! Janet Craig, is a first-time female director and it was her joy to work collaboratively with such a talented and diverse cast and crew on this project. This film has been seven years in the making and is inspired by her experience as a foster mom and mentor to trafficking survivors. Like the movie, CRASH, or the TV series, THE WIRE, our movie shows how lives intersect and impact each other in this realistic depiction of the world of today. This is not a simple story of good versus evil but of people capable of both.

Human trafficking, which includes sex trafficking, ranks as the third most lucrative form of organized global crime generating as much as \$150 billion in annual profits. In the US, trafficking has been reported in all 50 states. Additionally, studies consistently report that as many as 90% of child sex trafficking victims have been involved in the child welfare system, making foster children particularly vulnerable to this scourge.

Rachel Thomas, a prominent human trafficking survivor, outspoken advocate, and Presidential Appointee to the United States Advisory Board on Human Trafficking, shares her personal story at the end of our film!

Children are in danger right now -- together let's help everyone WAKE UP!

## King James Version

20 Neither pray I for these alone, but for them also which shall believe on me through their word;

21 That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.

22 And the glory which thou gavest me I have given them; that they may be one, even as we are one:

23 I in them, and thou in me, that they may be made perfect in one; and that the world may know that thou hast sent me, and hast loved them, as thou hast loved me.

24 Father, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world.

25 O righteous Father, the world hath not known thee: but I have known thee, and these have known that thou hast sent me.

26 And I have declared unto them thy name, and will declare it: that the love wherewith thou hast loved me may be in them, and I in them.
