MATURE STYLE NOTICE

Default work features clearly adult characters, exaggerated anatomy, revealing fantasy designs, ornate armor and jewelry, creature traits, horror elements, and sensual presentation. Family-friendly or fully covered work is available, but must be requested before work begins.

No exclusive ownership, full copyright transfer, work-for-hire status, standalone resale, sublicensing, stock-library distribution, or AI-training rights are included. Complex requests may require a custom quote.

TL;DR — EVERY CHARACTER IS BUILT AROUND FOUR CORE FEATURES

SOFT CURVES • HARD ARMOR • ABSOLUTE THREAT • ABSOLUTE DISTRACTION

Thank you. We look forward to weaponizing your imagination.
