

A LETTER FROM OUR OWNER

We Continue to Serve

Dear Valued Customer,

We understand the pandemic and how it has impacted tax season this year. We also know the importance of getting your tax return done in a timely manner and safe environment. That is why we decided to virtually take tax returns for the safety of your family as well as ours. Blessed taxes gives you the option to e-file via video call and/or phone call. We are continuously praying for the safety of you and your family. Please remember to wash your hands and wear your mask. We will get through Covid-19 together.

Be blessed and stay safe.

Respectfully Yours,

Andrea Murphy, Owner
