

# CORVETTES OF CLARKSVILLE

Meeting held at Serra Chevrolet

February 6th, 2024

**MEETING CALLED TO ORDER** – at 5:30 PM by Secretary, Bill Magerkurth.

President, Bill Calabrese and VP Jeffrey Crowder were not present due to pressing family matters.

Nathaniel Washington led us in prayer and the Pledge of Allegiance.

Birthdays this month: Carol Chandler, Cedric Wingo, Bill Magerkurth.

Bill M welcomed everyone and recognized guests: Ed Adkins who has a 2014 Black convertible, Lon Pearson with a 2024 White Stingray and Kenneth Bohn with a Red Hot Z06.

Ed and Lon both signed up as new members.

Carol Heron and Laura Grater both renewed their membership.

**VICE PRESIDENT** – Jeffrey Crowder, Mark Zellers and Jewell Langford have been working on new marketing ideas to promote our Club and recruit new members. Mark passed around (recruitment) business card samples for members to examine. Mark still needs to contact Serra to see if they will sponsor us so we can use their logo not only on the cards but also on our window stickers and other advertising; also if they would be willing to share in the cost. Mark and Jewell will have more information at our next meeting.

Jewell suggested we form a committee that would develop marketing ideas and create a promotional package detailing what we have to offer a candidate for their sponsorship. Carl Cewinski offered to help. Contact Jewell or a Board Member to volunteer.

**SECRETARYS REPORT** – Bill M confirmed that everyone received the

Minutes of our January Meeting and asked if there were any additions or corrections. There were none. Motion to approve by Mark Zellers, seconded by Jewell Langford. Motion carried.

An updated Membership Roster will be published as soon as new members are added and members that didn't pay their 2024 dues are sorted out.

**TREASURER'S REPORT** – Dawn Lisandrelli reported that the **December month end balance was \$XXXXXX**, and after receiving some member dues going into January, the balance was **\$XXXXX**. Dawn commented that there have been problems with our bank getting officers on the signature cards changed and this still needs to be worked out with the bank.

**EVENTS COORDINATOR REPORT**- Mark Zellers reported that our **February Social** will be at **Dock 17, Saturday the 17<sup>th</sup>, at 1:00 PM**. We will meet at Dock 17. Details are on our Website.

**WEBMASTER REPORT** – Nathaniel Washington gave a visual review of our website and advised if anyone had problems to just let him know. Nate reported on his findings regarding electronic payment of dues. It would require a membership fee and an authorization process.

GO Daddy would receive 2.3% plus 30 cents per transaction.

There were mixed reactions by the members and there was no motion made to approve at this time. It was suggested to cover the cost by increasing 2025 dues, but this can't be done until end of the year.

This will need to be brought up later in the year.

Mark will give us an update next month.
