## ALUCO GLAZING

**SPECIALIST IN DESIGN & INSTALLATION OF BUILDING FACADE CLADDINGS STRUCTURAL  
GLAZING, SPIDER GLAZING. GRC, LAMINAM, ZINC, ACP & GRANITE DRY CLADDING.**

At ALUCO GLAZING, our mission is to deliver innovative, safe, and sustainable façade solutions that blend aesthetics with structural excellence. We are committed to providing comprehensive services encompassing design, fabrication, and installation, ensuring every project meets global quality standards and exceeds client expectations. Through precision engineering, advanced technology, and skilled craftsmanship, we aim to enhance the visual and functional appeal of modern architecture.

Our vision is to be recognized as India's leading and most trusted façade engineering company, distinguished for our technical expertise, quality workmanship, and integrity. We aspire to continually evolve by adopting new technologies, improving design methodologies, and setting new benchmarks for excellence in architectural glazing and cladding. With a focus on sustainability, performance, and innovation, we seek to contribute meaningfully to the evolution of the built environment.

Our core objectives are centered on achieving design excellence, superior quality, and complete client satisfaction. We strive to develop façade systems that are structurally robust, aesthetically refined, and environmentally responsible. We maintain strict quality control at every stage, adhering to international standards such as IS, ASTM, and DOW SIL guidelines. Safety and sustainability form the backbone of our operations, ensuring compliance with statutory norms and long-term reliability of every structure. We aim to deliver every project on time and within budget while nurturing a highly skilled, motivated team that upholds our values of innovation, precision, and performance. Through these commitments, ALUCO GLAZING continues to build trust, set industry standards, and redefine excellence in façade engineering.

Thanking you,

**Yours faithfully,**
