

Infodriver Capital

Decentralized finance tools
with 48-96% APY

**Receive 48% APY*
(4% monthly)
through staking**

Staking is the act of locking digital currency to receive rewards. By Staking USDC in Infodriver Liquidity Pool, you can receive **4% monthly** USDC rewards. You can Stake as low as 10,000 USDC to get started.

THE PROBLEMS OF ORDINARY SAVERS

There is a growing misconception that digital currencies are very risky and the potential for losses are very high

Savers who have doubts about the DeFi sector are missing out on making their money work

The process of getting into digital currencies are too complicated for ordinary savers and they don't know where to start

Fear, uncertainty, and doubt

Complicated Process

Misconception

THE SOLUTION IS SIMPLICITY, SECURITY, AND EFFICIENCY

- Our process is safe and secure. We take full responsibility of your funds when we receive it
- Steady cash flow income weekly or monthly rewards for our savers.
- Payout frequency scheduled with no delays.
- Receive your rewards in digital currencies in USDC and ETH or your local currency.

BECOME A LIQUIDITY POOL & STAKING PARTNER WITH

1.25%

ETH liquidity partner
receives 1.25% weekly

4%

USDC liquidity partner receives
4% monthly. No lock in period.
Withdraw anytime

10,000\$

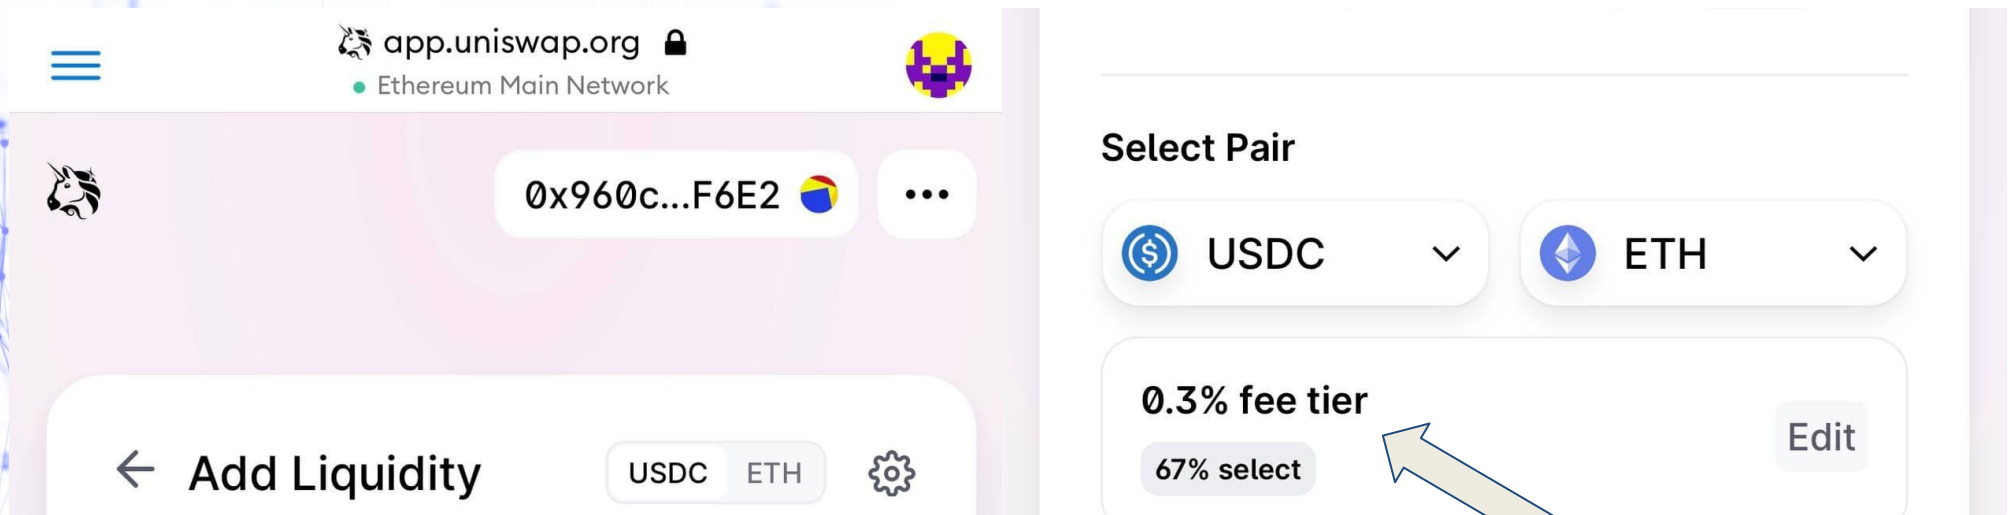

Minimum 4 ETH or 10K
USDC, USDT, BUSD

How pool works

0,3% daily, 9% monthly

Coin	Pair	Price	Spread	+2% Depth	-2% Depth	24h Volume
 USD Coin	USDC/ETH Info	\$1.01	0.6%	\$2,598,124	\$2,590,317	\$469,297,744
