

# Production Notes

## Merlot

Batch 2014

Appellation

California

Varietal

Merlot

Tasting Notes

A dark rich wine, black cherries, hints of mocha with a aged french oak. The layers of ripe fruit and tannins give your mouth a rich lush feel. Good balance with a velvet smooth finish

Wine Maker

Pairs well with beef. Burgers, pizza.

Our non vintage Merlot is a blend our best 2013 vintage with our 2014. This made a better wine using Merlot grapes from Napa and Lodi, instead of blending in other varietals to provide color and balance to the wine. I think you will agree that we made the right decision. This wine is well balanced and simply delicious.
